Golden Gate Park 9th and Lincoln Gateway Improvements

Concept Design - February 2020
SF Recreation and Parks Strategic Plan:

**Strategy 1—Inspire Public Space:**
Keep today’s parks safe, clean, and fun; promote our parks’ historic and cultural heritage; and build the great parks of tomorrow

Objective 1.2: Strengthen the quality of existing Parks & Facilities
Objective 1.3: Steward and promote good park behavior
Objective 1.4: Preserve and celebrate historic and cultural resources

**Strategy 4—Inspire Stewardship:**
Protect and enhance San Francisco’s precious natural resources through conservation, education, and sustainable land/facility management practices

Objective 4.3: Increase eco-literacy of park users and park maintenance staff
Project Goals

- Meet the Golden Gate Park Master Plan recommendations

- Increase pedestrian safety and provide an iconic welcome into the park

- Help orient visitors to the park with entry signs and improved wayfinding

- Strengthen the connection to the Inner Sunset neighborhood

- Reflect durable and sustainable design that will last for many years

- Gain the support of community and merchant groups
Golden Gate Park Master Plan, 1998:

“New entry treatment at 9th & Lincoln”

- Improve pedestrian circulation
- Improve views and visibility of arboretum
- Announce entry
- Plaza treatment
- Entry signs
