Schlage Lock Parks Community Meeting 10/24/2015 – Guided Survey

Leland Greenway (linear park, 0.76 acres)

1. For the Leland Greenway play area, circle your preferred approach (please “X” by one):
   - [X] 2-5 and 5-12 year olds (larger area)
   - [ ] 2-5 year olds only (smaller area)

   Write in comments:

2. For the Bayshore/Leland corner, circle your preferred approach (please “X” by one):
   - [ ] Art
   - [X] Plants
   - [X] Structure

   Write in comments:

3. Which trellis structure shape do you prefer (please “X” by one):
   - [X] Cantilevered/asymmetrical
   - [ ] Arch/symmetrical

   Write in comments:

Can Duplicate Visitation Valley
Topography, natural hills, slopes (over)" living wall

Ideas for art inspiration/theme:
- area history
- site history
- salvaged materials
- wind
- natural landscape
- living wall

Capital and Planning Unit, 30 Van Ness Ave., 3rd Floor | San Francisco, CA 94102 | www.sfrecpark.org
Visitacion Park (square park, 0.94 acre)

1) Do you like the proposed approach to include an Interactive Garden Area instead of a play area?

☑ Yes
☐ No

Write in comments:

2) What is your preference for what park elements are in the sunnier, north side of the park?

☐ Interactive Garden Area
☑ Trellis structures with seating beneath
☐ Other: __________________________

Write in comments:

3) What are your TOP THREE (3) priorities for optional additional programming in the park? (#1 is highest priority)

☐ barbeque
☐ picnic tables
☐ game tables (ex: jigsaw, chess/checkers)
☐ covered 10ft by 20ft tai chi area
☐ adult fitness stations (one-three stations)
☐ posting board for community messages
☐ ping pong table
☐ other: __________________________

1) Game tables you can play both Chess/Checkers.

There should be enough shade provided by trees, and surrounding buildings in Visitacion Park for Tai Chi. It would take away the openness or natural feel of the park.
Schlage Lock Parks Community Meeting 10/24/2015 – Guided Survey

Leland Greenway (linear park, 0.76 acres)

1. For the Leland Greenway play area, circle your preferred approach (please "X" by one):
   - ✓ 2-5 and 5-12 year olds (larger area)
   - ___ 2-5 year olds only (smaller area)

   Write in comments:

2. For the Bayshore/Leland corner, circle your preferred approach (please "X" by one):
   - ___ Art
   - ___ Plants
   - ✓ Structure

   Write in comments:

3. Which trellis structure shape do you prefer (please "X" by one):
   - ✓ Cantilevered/asymmetrical
   - ___ Arch/symmetrical

   Write in comments:

   Ideas for art:
   - Site history
   - Salvaged materials
   - Wind
   - Natural landscape

   Please pick 2 or 3:

   (over)
Visitation Park (square park, 0.94 acre)

1) Do you like the proposed approach to include an Interactive Garden Area instead of a play area?

☑ Yes
___ No

Write in comments:

2) What is your preference for what park elements are in the sunnier, north side of the park?

___ Interactive Garden Area
☑ Trellis structures with seating beneath
___ Other: ____________________________

Write in comments:

3) What are your TOP THREE (3) priorities for optional additional programming in the park? (#1 is highest priority)

___ barbeque
1. picnic tables
3. game tables (ex. Chinese checkers)
___ covered 10ft by 20ft tai chi area
2. adult fitness stations (one-three stations)
___ posting board for community messages
___ ping pong table
___ other: __________________________

Leland Greenway (linear park, 0.76 acres)

1. For the Leland Greenway play area, circle your preferred approach (please “X” by one):

   - 2-5 and 5-12 year olds (larger area)
   - 2-5 year olds only (smaller area)

   Write in comments:

2. For the Bayshore/Leland corner, circle your preferred approach (please “X” by one):

   - Art
   - Plants
   - Structure

   Write in comments:

3. Which trellis structure shape do you prefer (please “X” by one):

   - Cantilevered/asymmetrical
   - Arch/symmetrical

   Write in comments:

   I feel like the rendemenry of the arches in the deck didn’t do the concept justice—thick white poles were kind of jarring. the vision I had for the arches was more natural-looking with hanging vines & flowers.

   (over)

   Please pick 2: “X”

   Ideas for art inspiration/theme:

   - area history
   - site history
   - salvaged materials
   - wind
   - natural landscape
Visitacion Park (square park, 0.94 acre)

1) Do you like the proposed approach to include an Interactive Garden Area instead of a play area?

   - Yes
   - No: I think the play area will be valuable for people w/ kids.

Write in comments:

2) What is your preference for what park elements are in the sunnier, north side of the park?

   - Interactive Garden Area
   - Trellis structures with seating beneath
   - Other: ____________________________

Write in comments:

Leland Greenway (linear park, 0.76 acres)

1. For the Leland Greenway play area, circle your preferred approach (please “X” by one):

   - 2-5 and 5-12 year olds (larger area)
   - 2-5 year olds only (smaller area)
   (thinking we’ll also have add’l play areas @ Visitacion Rid)

   Write in comments:

2. For the Bayshore/Leland corner, circle your preferred approach (please “X” by one):

   - Art
   - Plants
   - Structure

   Write in comments: I’d “Plants” — but ideally solution would incorporate all 3 aspects — windsocks, windbreak etc.

3. Which trellis structure shape do you prefer (please “X” by one):

   - Cantilevered/asymmetrical
   - Arch/symmetrical

   Write in comments:

   More Open structure seems more flexible for a small park.

(over)
Visitacion Park (square park, 0.94 acre)

1) Do you like the proposed approach to include an Interactive Garden Area instead of a play area?
   - Yes
   - No

Write in comments: I like the idea of aiming for fun engagement for all ages — native flora/ fauna as a way of acknowledging "place" & making connections to nature.

2) What is your preference for what park elements are in the sunnier, north side of the park?
   - Interactive Garden Area
   - Trellis structures with seating beneath
   - Other: ____________________________

Write in comments:

3) What are your TOP THREE (3) priorities for optional additional programming in the park? (#1 is highest priority)
   - Barbeque
   - Picnic tables
   - Game tables (ex. Chinese checkers)
   - Covered 10ft by 20ft tai chi area
   - Adult fitness stations (one-three stations)
   - Posting board for community messages
   - Ping pong table
   - Other: ____________________________
