I. Introduction

The San Francisco Recreation and Parks Department is soliciting proposals from qualified respondents to manage and operate specialty MFF concessions within properties under the jurisdiction of the Department. The Department and any selected respondents will jointly determine the exact locations of the MFF concessions.

II. The Opportunity

Touted as one of the best park systems in the country, San Francisco is a city of great and diverse parks with 45 million park users annually. Golden Gate Park alone, welcomes 14 million visitors each year. In the past year, nearly $47 million of tourism spending can be directly attributed to visitors to the City’s park system.

Since 2009, the Department has enhanced park user’s experience with quality food and beverage amenities through permitted MFFs in strategic park locations such as Golden Gate Park, Civic Center Plaza and Justin Herman Plaza. The Department desires to continue providing such services and is seeking concessionaires that reflect the culinary diversity of San Francisco, value park stewardship and can compliment patron activities in the beautiful surroundings of the City’s parks. Respondents are invited to propose menus that reflect San Francisco’s rich culinary heritage and character of the City’s neighborhoods.

The location(s) of MFFs will be jointly decided by the Department and the selected respondents after the selection process. Potential sites include but are not limited to Golden Gate Park, Justin Herman Plaza, Joseph L. Alito Performing Arts Plaza, the Marina Green, Beach Chalet Soccer Fields, Polo Soccer Fields and Dolores Park. Respondents are asked to submit proposals for the park(s) in which they would like to operate. Respondents should be as detailed as possible when describing their desired location(s). Location(s) identified by respondents for the operation of MFFs do not guarantee the award of a permit to operate at that site. Respondents should identify up to five locations for the operation of their MFF. Maps detailing specific sites for the operation of a MFF within a park should be attached to the proposal. Respondents are asked to consider ADA access paths, the topography of the park, and the existing uses of the park.

The Department will consider proposals for the operation of pushcarts, motorized food trailers and mobile food catering trucks all of which falls under the MFF category. In all cases, the Department will review the appropriateness of the proposed concession for the specific park location through internal analysis and outreach to neighboring residents and businesses.

The Department will consider proposals from respondents for the operation of one or more MFF locations. The Department will, in its sole discretion, determine which selected respondents shall operate at which park location(s).
For a complete listing of City Parks, please see **Exhibit B**.

**A. Menu**

The Department will favorably view menus that incorporate healthy, sustainably grown foods and beverages as well as those that include inventive meal options. The Department is soliciting vendors who will operate and maintain MFF concessions at the highest standards, making a significant improvement to the quality and ambience of the City’s parks. Respondents are required to submit a menu with pricing with their proposals.

**B. Operating Requirements**

**Signage** - All signage is subject to the Department’s written approval.

**Aesthetics** - MFF must be clean, well maintained, and attractive in its overall design. The exterior appeal of the MFF should match the quality of its food and service. Good service includes good sensory experience, the “Look and Feel” of the MFF reflects on the overall quality and care of the business. The Department desires a uniformed look of its vendors to improve identification and branding. Proposals should refer to **Exhibit D** and incorporate the general aesthetics of these renderings into their design where possible.

**Storage** - Unless the Permittee is specifically authorized in writing, no equipment or supplies shall be stored on park property. No item shall be placed upon any public space, including the areas adjacent to the permitted premises without advance written approval from the Department.

**Payment Systems** - Each proposal should include detailed policy for payment options of cash, debit and credit; the handling of receipts for each of these options, procedures for reporting and an annual audit schedule.

**Security** - The permittee at its sole cost shall be responsible for maintaining security of its MFF at the permitted location and will be required to cooperate with the Department to ensure security of the surrounding area.

**Clean up** - The permittee at its sole cost will keep the premises clean and clear of debris within 150 feet of the MFF.

**Safety and Maintenance** - Each proposal should include a detailed outline of maintenance schedules and safety precautions required for the operation of the concession, as well as staff qualifications and certifications, if applicable.

**Staff** - The permittee will be required to have a sufficient number of staff to ensure proper operation of the MFF.

**Regulatory Agency Approvals** - All MFFs must be inspected by the San Francisco Department of Public Health - Environmental Health Section in order to allow
owners/operators to operate their MFF outside, and the San Francisco Fire Department (if propane is used on MFF). Owners/operators must have a valid permit/decal issued by the Department of Public Health with an approval to operate outdoors.

Copies of the S.F Department of Public Health “Operating a Food Mobile Food Facility in San Francisco” and the “California Uniform Retail Food Facilities Law” are available from the Department of Public Health – Environmental Health Section located at 1390 Market Street Suite 210, San Francisco 94102. Additional information is also available online at the Department of Public Works website. Links are below.

https://www.sfdph.org/dph/EH/Food/mobile.asp

For more information on Public Health Code requirements, please review the Mobile Food Facilities requirements of the California Retail Food Code attached as Exhibit A to this document.

All applicable permits are required prior to the commencement of any permit agreement.

Prohibition on Sale of Bottled Water- Permittees shall agree to comply with all applicable provisions of San Francisco Environment Code, Chapter 24 restricting the sale or distribution on City property of drinking water in plastic bottles of twenty-one (21) fluid ounces or less. The Department may waive the requirement of Sections 2403 and 2404 of the Environmental code in part or full if permittee demonstrates to the satisfaction of the Department that strict application of the requirement would not be feasible, would create an undue hardship or practical difficulty, or that circumstances otherwise warrant granting of the waiver.

Alcoholic Beverage- The sale and advertising of alcoholic beverages is NOT permitted.

Permittees are prohibited from selling or advertising tobacco products and lottery products.

Each Permittee is required to post on its MFF the identifiable permit(s) or license(s) issued by all Departments requiring such permits or licenses. Department staff will conduct on-site inspections and may coordinate with the San Francisco Police Department, San Francisco Department of Public Health - Environmental Health Section, or San Francisco Fire Department and Park Patrol Officers to enforce vending rules and regulations.

C. The Surrounding Environment

Located within San Francisco’s well treasured parks, each MFF location must be sensitive to the recreational activities that occur within those parks. All proposals submitted should be of a nature and a scale such that they do not infringe upon those activities. The Department will establish operational restrictions for each MFF location.
The Permittee must pick-up and dispose of all waste, trash, rubbish, papers, and cartons and refuse from their Permit area(s) and within a radius of 150-feet of the area that the MFFs are located during the hours of operation. Permit will be terminated if vendor fails to clean up.

D. Hours

Proposals should include days and hours of operations. All hours of operation are subject to Department’s written approval.

During periods of inclement weather, permittee may choose to not operate MFFs in any or all of the locations. Base Rent, however, will not be adjusted because of closures due to weather.

III. Proposed Rent and Key Permit Terms

Upon successful completion of negotiations with the selected respondent, the Department anticipates entering into a permit or permits for various park sites. This section briefly describes key permit terms required by the Department. In the submittal, respondents will be required to indicate acceptance of these terms, and to make a proposal that is consistent with these terms. The actual terms of the permit will be negotiated with Department staff and are subject to final approval by the General Manager. Permits for new locations will generally be issued as a revocable short term permit to assess their success and impact on the community. Any permits for a term of one year or longer at a new location will be subject to the final approval by the San Francisco Recreation and Park Commission.

Permittee shall pay to Department each year of the term of this Agreement the greater of either: A) Base Rent, or B) Percentage Rent of gross sales minus sales tax.

A. Base Rent

Respondents shall propose a Minimum Annual Guarantee to the City as a base rent payment. The minimum base rent per MFF location is $14,000 a year. The Department will consider proposed base rents below this level in the event that a concessionaire does not propose to operate a MFF location on a full time basis. In such instances the Department shall negotiate an appropriate Minimum Annual Guarantee.

The Base Rent shall be paid monthly during each year of the term.

Respondents are required to submit Base Rent proposals for each proposed MFF location. Such Base Rent should reflect the differing revenue generating potential of each location.

Annual CPI Increase- Effective each anniversary date, the then current rent shall increase at the lesser of the current CPI or 3%.

B. Percentage Rent

Proposals must also include an exact Percentage Rent proposal payable on gross receipts.
The proposal should detail an exact percentage for each revenue stream to be paid monthly to the Department. The higher of the monthly Base Rent or the monthly Percentage Rent would be payable each month. In any month in which the Percentage Rent does not exceed the Base Rent, only the Base Rent would be payable.

C. Financial Reporting

Permittees will be required to provide annual financial statements to the Department; including a budget, an income statement, a balance sheet, and a statement of cash flow. Financial statements should provide reasonable details acceptable by the Department, certified by an appropriate financial officer of the Permittee as accurately presenting the financial position of the Business.

D. Term

Not to exceed five (5) years in length.

E. Operating Requirements

Permittee will meet operating requirements set forth above.

F. Subordination

The City’s fee ownership and rental income stream will not be subordinated.

G. Environmental Sustainability

The City has recently passed the Food Service Waste Reduction Ordinance which requires that, "All City Facility Food Providers using any Disposable Food Service Ware shall use Biodegradable/Compostable or Recyclable Disposable Food Service Ware unless there is no Affordable Biodegradable or Compostable product available as determined by the City Administrator in accordance with Subsection 1604(a). Permittee is required to comply with City law.

Permittee needs to achieve a 75% diversion rate at the event, and provide adequate composting and recycling collection services to the public/attendees, event producers and vendors to achieve that diversion rate. Compostable collection may require a monitor or sorting must take place post event to deal with contamination. Compostable collection containers must be color coded as green, recycling as blue and garbage as black. Appropriate, clear signage must be visible." Backup generators need to use B100 as fuel, and 50% of food must come from less than a 200-mile radius from San Francisco.

Permittee shall develop a program to work toward a zero waste goal, including the implementation of a composting system for food waste, packaging and 100% biodegradable supplies whenever practical. Permittee shall submit a recycling and composting plan at Commencement of Permit, and provide an annual report on each anniversary date of this permit outlining their progress toward meeting the recycling and composting goals described above and their success toward a zero waste goal.

Sustainability-related product claims that are acceptable under this clause include “grass-fed” claims, “not treated with artificial growth hormones (RBGH)” claims, produced without the non-therapeutic use of antibiotics” claims, and “raised without added hormones/no hormones added” claims.

Locally produced food products are produced within 200 miles of San Francisco including the following counties in the North Coast, Central Coast, Sacramento and San Joaquin Valleys: Alameda, Amador, Butte, Calaveras, Colusa, Contra Costa, El Dorado, Fresno, Glenn, Kern, Kings, Lake, Madera, Marin, Mariposa, Mendocino, Merced, Monterey, Napa, Nevada, Placer, Plumas, Sacramento, San Benito, San Francisco, San Joaquin, San Mateo, Santa Clara, Santa Cruz, Sierra, Solano, Sonoma, Stanislaus, Sutter, Tehama, Tulare, Tuolumne, Yolo, and Yuba counties.

Respondents should clearly articulate how they will incorporate these sustainable food concepts into everyday operations of the concessions, and how they will increase their sourcing of sustainably produced foods.

Permittee shall also provide an annual report on each anniversary date of this permit outlining how they incorporated these sustainable food concepts into everyday operations of the food and beverage concession and how they informed customers and the youth employed by the Permittee, regarding sustainable foods. This report should include percentage of total sales that were products certified as sustainably produced.

The City accepts no financial responsibility for any costs incurred by a firm in responding to this RFP. Submissions of the RFP will become the property of the City and may be used by the City in any way deemed appropriate.

I. Respondent’s Obligations under the Campaign Reform Ordinance

Respondent must comply with Section 1.126 of the S.F. Campaign and Governmental Conduct Code, which states:

No person who contracts with the City and County of San Francisco for the rendition of personal services, for the furnishing of any material, supplies or equipment to the City, or for selling any land or building to the City, whenever such transaction would require approval by a City elective officer, or the board on which that City elective officer serves, shall make any contribution to such an officer, or candidates for such an office, or committee controlled by such officer or candidate at any time between commencement of negotiations and the later of either (1) the termination of negotiations for such contract, or (2) three months have elapsed from the date the contract is approved by the City elective officer or the board on which that City elective officer serves.

If a respondent is negotiating for a contract that must be approved by an elected local officer or the board on which that officer serves, during the negotiation period the
respondent is prohibited from making contributions to:

- the officer’s re-election campaign
- a candidate for that officer’s office
- a committee controlled by the officer or candidate.

The negotiation period begins with the first point of contact, either by telephone, in person, or in writing, when a contractor approaches any city officer or employee about a particular contract, or a city officer or employee initiates communication with a potential contractor about a contract. The negotiation period ends when a contract is awarded or not awarded to the contractor. Examples of initial contacts include: (1) a vendor contacts a city officer or employee to promote himself or herself as a candidate for a contract; and (2) a city officer or employee contacts a contractor to propose that the contractor apply for a contract. Inquiries for information about a particular contract, requests for documents relating to a Request for Proposal, and requests to be placed on a mailing list do not constitute negotiations.

Violation of Section 1.126 may result in the following criminal, civil, or administrative penalties:

1. Criminal. Any person who knowingly or willfully violates section 1.126 is subject to a fine of up to $5,000 and a jail term of not more than six months, or both.

2. Civil. Any person who intentionally or negligently violates section 1.126 may be held liable in a civil action brought by the civil prosecutor for an amount up to $5,000.

3. Administrative. Any person who intentionally or negligently violates section 1.126 may be held liable in an administrative proceeding before the Ethics Commission held pursuant to the Charter for an amount up to $5,000 for each violation.

For further information, proposers should contact the San Francisco Ethics Commission at (415) 581-2300.

J. Sunshine Ordinance

In accordance with S.F. Administrative Code Section 67.24(e), contractors’ bids, responses to RFPs and all other records of communications between the City and persons or firms seeking contracts shall be open to inspection immediately after a contract has been awarded. Nothing in this provision requires the disclosure of a private person’s or organization’s net worth or other proprietary financial data submitted for qualification for a contract or other benefits until and unless that person or organization is awarded the contract or benefit. Information provided which is covered by this paragraph will be made available to the public upon request.
K. Public Access to Meetings and Records

If a respondent is a non-profit entity that receives a cumulative total per year of at least $250,000 in City funds or City-administered funds and is a non-profit organization as defined in Chapter 12L of the S.F. Administrative Code, the respondent must comply with Chapter 12L. The respondent must include in its proposal (1) a statement describing its efforts to comply with the Chapter 12L provisions regarding public access to proposer’s meetings and records, and (2) a summary of all complaints concerning the proposer’s compliance with Chapter 12L that were filed with the City in the last two years and deemed by the City to be substantiated. The summary shall also describe the disposition of each complaint. If no such complaints were filed, the respondent shall include a statement to that effect. Failure to comply with the reporting requirements of Chapter 12L or material misrepresentation in proposer’s Chapter 12L submissions shall be grounds for rejection of the proposal and/or termination of any subsequent Agreement reached on the basis of the proposal.

L. Reservations of Rights by the City

The issuance of this RFP does not constitute an agreement by the City that any contract will actually be entered into by the City. The City expressly reserves the right at any time to:

1. Waive or correct any defect or informality in any response, proposal, or proposal procedure;

2. Reject any or all proposals;

3. Reissue a Request for Proposals;

4. Prior to submission deadline for proposals, modify all or any portion of the selection procedures, including deadlines for accepting responses, the specifications or requirements for any materials, equipment or services to be provided under this RFP, or the requirements for contents or format of the proposals;

5. Procure any materials, equipment or services specified in this RFP by any other means; or

6. Determine that no project will be pursued.

M. No Waiver

No waiver by the City of any provision of this RFP shall be implied from any failure by the City to recognize or take action on account of any failure by a proposer to observe any provision of this RFP.

N. Protests.
Within five working days of the City's issuance of a notice of non-responsiveness, any firm that has submitted a proposal and believes that the City has incorrectly determined that its proposal is non-responsive may submit a written notice of protest. Such notice of protest must be received by the City on or before the fifth working day following the City's issuance of the notice of non-responsiveness. The notice of protest must include a written statement specifying in detail each and every one of the grounds asserted for the protest. The protest must be signed by an individual authorized to represent the proposer, and must cite the law, rule, local ordinance, procedure or RFP provision on which the protest is based. In addition, the protestor must specify facts and evidence sufficient for the City to determine the validity of the protest.

- **Protest of Contract Award**

Within five working days of the City's issuance of a notice of intent to award the contract, any firm that has submitted a responsive proposal and believes that the City has incorrectly selected another proposer for award may submit a written notice of protest. Such notice of protest must be received by the City on or before the fifth working day

The notice of protest must include a written statement specifying in detail each and every one of the grounds asserted for the protest. The protest must be signed by an individual authorized to represent the proposer, and must cite the law, rule, local ordinance, procedure or RFP provision on which the protest is based. In addition, the protestor must specify facts and evidence sufficient for the City to determine the validity of the protest.

- **Delivery of Protests**

All protests must be received by the due date. If a protest is mailed, the protestor bears the risk of non-delivery within the deadlines specified herein. Protests should be transmitted by a means that will objectively establish the date the City received the protest. Protests or notice of protests made orally (e.g., by telephone) will not be considered. Protests must be delivered to:

4. TERM

4.1. Term of Lease; Commencement Date and Expiration Date. The Premises are leased for a term (the "Term") commencing on the date specified in the Basic Lease Information as the commencement date (the "Commencement Date"), subject to this Lease becoming effective pursuant to Section 4.4 below. The Term of this Lease shall end on the expiration date specified in the Basic Lease Information, unless sooner terminated pursuant to the provisions of this Lease. The dates on which the Term commences and terminates pursuant hereto are referred to respectively as the "Commencement Date" and the "Expiration Date."
4.2. **Delay in Delivery of Possession.** If City is unable to deliver possession of the Premises to Lessee on or before the scheduled Commencement Date, then the validity of this Lease shall not be affected thereby and City shall not be liable to Lessee for any Losses resulting therefrom. Lessee waives all provisions of any Laws to the contrary. In the event of any such delay in delivery of possession, the Term and regular payments of Base Rent and Additional Charges shall not commence until City delivers possession of the Premises. If the Term commences later or earlier than the Commencement Date in accordance with the terms hereof, this Lease shall nevertheless expire on the Expiration Date, unless sooner terminated pursuant to the provisions of this Lease.

4.3. **Delays Caused by Lessee.** Notwithstanding anything to the contrary above, if City’s inability to deliver possession of the Premises on the Commencement Date results from the acts or omissions of Lessee or any of Lessee’s Agents, then the Base Rent and Additional Charges payable by Lessee hereunder shall commence on the date when City would have delivered possession of the Premises but for such acts or omissions.

5. **Effective Date.** This Lease shall become effective on the date (the "Effective Date") upon which (i) the Commission passes a resolution approving this Lease, and (ii) the Parties hereto have duly executed and delivered this Lease.

6. **RENT**

6.2. **Adjustments in Base Rent.** On the Anniversary Date each year (each, an "Adjustment Date"), the Base Rent payable by Lessee shall be adjusted in the following manner. The Adjustment Index shall be compared with the Base Index. If the Adjustment Index has increased over the Base Index, then the Base Rent payable on and after such Adjustment Date shall be set by multiplying Base Rent by a fraction, the numerator of which is the Adjustment Index and the denominator of which is the Base Index. In no event shall the Base Rent on or after the Adjustment Date be less than the Base Rent in effect immediately prior to the Adjustment Date.

6.3. **Payment; Generally.** Rent shall be paid in lawful money of the United States, at Revenue Unit, Recreation and Park Department, McLaren Lodge Annex, 501 Stanyan Street, San Francisco, California 94117, or such other place as City may designate in writing. If Lessee pays by check and such check is not honored, then City may require Lessee to make all future payments in cash or by cashier’s check. If the Commencement Date occurs on a day other than the first day of a calendar month, or if the Expiration Date occurs on a day other than the last day of a calendar month, then the monthly payment of the Base Rent for such fractional month shall be prorated based on a thirty (30) day month. City reserves the right to direct Lessee, upon 30 days written notice, to deposit all payments required under this Lease from Lessee’s account into the City designated revenue account by bank or wire transfer.

6.4. **Monthly Gross Receipts Statements; Determination of Percentage Rent Payable.** On or before the tenth (10th) day of each full calendar month of the Lease Term and the of the calendar month immediately following the expiration or termination of this Lease, Lessee

Percentage Rent (as shown in the Basic Lease Information) shall be calculated for such calendar month based on the Monthly Gross Receipts Statement and, if the amount so calculated exceeds the monthly Base Rent, such Percentage Rent shall be payable in accordance with Section 5.1 above. In the event this Lease terminates during a month at no fault of Lessee, payment of City’s share of Admission Revenue and the Percentage Rent for that portion of the month during which sales are made on the Premises shall be determined and reported by Lessee to City within ten (10) days after Lessee ceases to make sales on the Premises, but in the event this Lease terminates as a result of Lessee’s default, including insolvency thereof, any amounts due hereunder shall be payable immediately.

6.5. Cash Register Requirements.

(a) Lessee shall install on the Premises at least one cash register. Lessee shall use cash registers which segregate sales by categories and shall have separate function keys with non-resettable daily sequential transaction numbers and non-resettable daily cumulative sales totals. Such cash register(s) used on the Premises shall be of a type approved by General Manager in writing and shall register every transaction made in, on, about or from the Premises, including every type of Gross Receipts, and the tape or digital record of each such cash register shall be accessible to and subject to inspection by the General Manager or his/her agent, provided that such inspection shall be conducted in a manner reasonable designed to minimize interference with the conduct of Lessee’s business at the Premises, and City shall not perform such inspection unless a manager of Lessee’s business is present. Lessee shall make a manager available to City for such inspection during business hours upon request (which may be oral) by City.

(b) Mechanical cash register(s) must have a non-resettable cumulative total, a detail audit tape, a transaction number with a four-digit capacity, an indicator readily visible to customers as the amount rung, and a seven-digit capacity or greater, as determined by the General Manager based on the type of business, with a four-digit overrun counter. If computerized cash registers or other similar electronic devices are used, that system must accurately record all sales on the Premises and be no more subject to tampering than mechanical cash register(s).

(c) Each sale or other transaction on the Premises must be recorded at the time of each sale or other transaction, in the presence of the customer, and Lessee shall present a receipt from such sale or other transaction to the customer. Each customer must be issued a receipt or sales slip for each transaction, which transaction must be recorded either on serially numbered sales slips or cash register types. All cash receipts must include Lessee’s identification thereon. Each cash register (including computerized cash registers or other similar electronic devices) shall be serviced by an established contractor approved by General Manager. At General Manager’s request, Lessee must furnish to City a statement from an established contractor that the transaction number, the cumulative total and the overrun counter have been sealed in a manner approved by General Manager.

(d) Upon the installation or removal of any cash register (including computerized cash registers or other similar electronic devices) used on the Premises, Lessee must immediately furnish to General Manager notice in writing stating make, model number, serial number and cumulative total reading and overrun counter reading of the cash register(s)
(including computerized cash registers or other similar electronic devices). Any repair contractor employed to repair or replace any cash register (including computerized cash registers or other similar electronic devices if used) on the Premises is hereby authorized and directed to disclose and furnish to City or its auditors any information obtained by the contractor in the course of making such repair or replacement pertaining to such cash register (including computerized cash registers or other similar electronic devices if used). City shall have the right during business hours to examine the totals of the cash register(s) (including computerized cash registers other similar electronic devices if used) used on the Premises and to inspect for compliance with this section.

6.6. Reporting; Books and Records; Audits

(a) Monthly Reporting. Along with each monthly rent payment, Lessee shall be responsible for submitting via email to the City contact listed in the Basic Lease Information section a copy of a “Concessionaires’ Payment Statement”, detailing a true and factual accounting of all Gross Receipts, taxes paid and rent figures calculated for that month.

(b) Books and Records. Lessee agrees to keep accurate books and records according to generally accepted accounting principles. For purposes herein "books and records" shall include, but not be limited to, daily sales journals, cash register tapes, pre-numbered receipts, guest checks, sales tickets, monthly sales summaries summarizing daily sales, general ledgers, income statements, sales tax returns, income tax returns and any other bookkeeping documents Lessee utilizes in its business operations. Lessee shall not co-mingle personal funds with business funds. Lessee shall use cash registers which segregate sales by categories and shall have separate function keys with non-resettable daily sequential transaction numbers and non-resettable daily cumulative sales totals.

(c) Annual Gross Receipts Report; Annual Income and Operations Report. On or before the date which is ninety (90) days following the close of each Lease Year during the Term and ninety (90) days following the end of the Term, Lessee shall deliver to City a statement (the "Annual Gross Receipts Statement"), certified as correct by an officer or owner of Lessee, certified or audited by an independent certified public accountant, and otherwise in form satisfactory to City. The Annual Gross Receipts Statement shall set forth the Gross Receipts, as defined above and shown on Lessee's books, for the Lease Year just concluded broken down by category. Further, on or before the date which is ninety (90) days following the close of each fiscal year during the Term and ninety (90) days following the end of the Term, Lessee shall deliver to City an itemized income statement for such year, certified as correct by an officer or owner of Lessee, with (i) supporting tables that include Gross Receipts by department, distributed departmental expenses and undistributed expenses, and (ii) a cash flow table that itemizes expenditures on capital improvements and personal property and indicates which of the improvements and acquisitions represent replacements.

(d) Audit. Lessee agrees to make its books and records available to City, or to any City auditor, or to any auditor or representative designated by City, for the purpose of examining such books and records to determine the accuracy of Lessee's earnings from Lessee's business. Such books and records shall be kept for four (4) years and shall be maintained and/or made available in San Francisco to City's representative for the purpose of auditing or re-auditing these accounts; except that, if an audit is made within such four-year period and City claims that errors or omissions have occurred, the books and records shall be retained and made available until those matters are resolved. If an audit reveals that Lessee has understated its Gross Receipts, Lessee shall pay City, promptly upon demand, the difference between the amount
Lessee has paid and the amount it should have paid to City. If Lessee understates its Gross Receipts by three percent (3%) or more, the cost of the audit shall be borne by Lessee. If Lessee understates its Gross Receipts with knowledge of such understatement or by reason of gross negligence, then, in addition to paying for the cost of the audit, on the first such occasion Lessee shall pay City ten (10) times the amount of the difference between the amount City should have received and amount City actually received. A second such understatement made with knowledge of or by reason of gross negligence shall be considered an Event of Default.

(e) **Patrons Audit.** Lessee shall participate in the City’s Patrons Audit program whereby signs provided by the City will be clearly posted at each point of sale, stating that receipts are to be given for each purchase, and that if a receipt is not given, the patron shall be allowed some form of compensation as mutually agreed upon by the City and Lessee.

6.7. **Late Charge.** If Lessee fails to pay any Rent and/or fails to submit a Monthly Gross Receipts Statement by the date the same is due and payable, such unpaid amount will be subject to a late payment charge equal to five percent (5%) of the amount due, in each instance. The late payment charge has been agreed upon by City and Lessee, after negotiation, as a reasonable estimate of the additional administrative costs and detriment that City will incur as a result of any such failure by Lessee, the actual costs thereof being extremely difficult if not impossible to determine. The late payment charge constitutes liquidated damages to compensate City for its damages resulting from such failure to pay and Lessee shall promptly pay such charge to City together with such unpaid amount.

6.8. **Default Interest.** If any Rent is not paid on the due date, such unpaid amount shall bear interest from the due date until paid at the rate of ten percent (10%) per year or, if a higher rate is legally permissible, at the highest rate an individual is permitted to charge under Law. However, interest shall not be payable on late charges incurred by Lessee nor on any amounts on which late charges are paid by Lessee to the extent this interest would cause the total interest to be in excess of that which an individual is lawfully permitted to charge. Payment of interest shall not excuse or cure any default by Lessee.

6.9. **Net Lease.** This Lease is a "net lease." Accordingly, Lessee shall pay to City all Rent (including the Base Rent, Percentage Rent, Additional Charges and any other payments hereunder) free of any charges, assessments or deductions of any kind, without prior demand and without abatement, counterclaim or setoff. Under no circumstances, whether now existing or hereafter arising, and whether or not beyond the present contemplation of the Parties, shall City be expected or required to make any payment of any kind whatsoever with respect to Lessee's use or occupancy of the Premises and any permitted Improvements or this Lease, except as may otherwise be expressly set forth herein. Without limiting the foregoing, Lessee shall be solely responsible for paying each item of cost or expense of every kind and nature whatsoever, the payment of which City would otherwise be or become liable by reason of its estate or interests in the Premises and any Improvements, any rights or interests of City in or under this Lease, or the ownership, leasing, operation, management, maintenance, repair, rebuilding, remodeling, renovation, use or occupancy of the Premises, any permitted Improvements, or any portion thereof. Except as may be specifically and expressly provided otherwise in this Lease, no occurrence or situation arising during the Term, nor any present or future Law, whether foreseen or unforeseen, and however extraordinary, shall relieve Lessee from its liability to pay all of the sums required by any of the provisions of this Lease, or shall otherwise relieve Lessee from any of its obligations under this Lease, or shall give Lessee any right to terminate this Lease in whole or in part. Lessee waives any rights now or hereafter conferred upon it by any existing or future
Law to terminate this Lease or to receive any abatement, diminution, reduction or suspension of payment of such sums, on account of any such occurrence or situation.

Lessee shall make all such payments directly to the charging authority when due and payable and at least ten (10) days prior to delinquency, subject to Lessee's right to contest the validity of such charge pursuant to Section 6.1(c).

However, with respect to real property taxes and assessments levied on or assessed against the Premises for which City receives the tax bill directly from the taxing authority, Lessee shall reimburse City for payment of such sums immediately upon demand.

(c) No Liens. Lessee shall not allow or suffer a lien for any taxes payable by Lessee hereunder to be imposed upon the Premises or upon any equipment or other property located thereon without promptly discharging the same. Lessee may have a reasonable opportunity to contest the validity of any such taxes provided Lessee, before commencement of any proceeding or contest, furnishes to City a surety bond issued by a surety company qualified to do business in California and acceptable to City's Controller. The amount of such bond shall be equal to one hundred twenty five percent (125%) of the amount of taxes in dispute and shall be in such form as approved by the City Attorney of City. The bond shall insure payment of any judgment that may be rendered should Lessee be unsuccessful in any such contest. Lessee shall Indemnify City, the other Indemnified Parties, and the Premises from and against any Losses arising out of any proceeding or contest provided for hereunder. The foregoing Indemnity shall not be limited by the amount of the bond.

San Francisco Administrative Code Sections 23.38 and 23.39 require that the City and County of San Francisco report certain information relating to this Lease, and any renewals thereof, to the County Assessor within sixty (60) days after any such transaction, and that Lessee report certain information relating to any assignment of or sublease under this Lease to the County Assessor within sixty (60) days after such assignment or sublease transaction. Lessee agrees to provide such information as may be requested by City to enable City to comply with this requirement.

The Logo and any other original works of authorship or designs (including any domain names or website designs, source code, and content) related to the facility, or Lessee's services or operations in or for the facility ("Works") shall be works for hire under Title 17 of the United States Code, and all copyrights in such Logo and other Works are the City's property. If the Department or Lessee's use of the Logo or Works creates trademark, service mark or trade dress rights in connection with the Logo or Works, the City shall also have an exclusive and irrevocable right in such trademark, service mark, or trade dress. If any Logo or Works created by Lessee or its subcontractors under this Lease are not works for hire under federal law, the Lessee hereby assigns all copyrights to such Logo and Works to the City and further agrees to provide any material and execute any documents necessary to effectuate such assignment.

Lessee shall require from each contractor and subcontractor performing any work on or about the Premises a policy of commercial general liability insurance, with such limits as may reasonably be required by City from time to time, but in any event not less than One Million Dollars ($1,000,000) combined single limit. Such insurance shall also be in compliance with the requirements set forth in Section 19.2.

9.2. Ownership of Improvements. Any Improvements or Alterations constructed on or affixed to the Premises by or on behalf of Lessee above shall be and remain Lessee's property during the Term. Upon the Expiration Date or any earlier termination hereof, Lessee shall, upon City’s request, remove all such Improvements and Alterations from the Premises in accordance with the provisions of Section 22.1 hereof, unless City, at its sole option and without limiting any of the provisions of Section 8.1 above, specifies at the time of City’s approval of any such Improvements or Alterations that such Alterations or Improvements may remain on the Premises following the expiration or termination of this Lease.

9.3. Lessee’s Personal Property. All furniture, furnishings and articles of movable personal property and equipment installed in the Premises by or for the account of Lessee that can be removed without structural or other material damage to the Premises (all of which are herein called "Lessee's Personal Property") shall be and remain the property of Lessee and may be removed by it subject to the provisions of Section 22.1 hereof. At least ten (10) days prior to delinquency, Lessee shall pay all taxes levied or assessed upon Lessee's Personal Property and shall deliver satisfactory evidence of such payment to City.

9.4. Proposed Improvements; Failure to Make Proposed Improvements. Upon the Effective Date of this Lease, Lessee shall promptly commence and diligently pursue to completion the specific Improvements and Alterations detailed in Exhibit __ (the “Proposed Improvements”), subject to the provisions of Section 12.2 below and in accordance with the provisions of Section 8.1 above. The Proposed Improvements, first anticipated by Lessee in the Request for Proposals, are the final result of negotiations between Lessee and City. City and Lessee understand, acknowledge and agree that prior to commencing the Proposed Improvements; Lessee shall be required to obtain the approval of the Commission and any other regulatory agency that may have jurisdiction. Lessee and City agree that any such work shall be performed during the off-peak season and that, subject to receipt of approval of all applicable regulatory agencies, such work shall be completed within _____________ of the Commencement
Date. If Lessee does not complete each and every Proposed Improvement within ________ following the Commencement Date and in the manner provided herein, such failure shall constitute a breach of the Lease. Notwithstanding the foregoing, if Lessee proposes performing the Proposed Improvements in two or more phases, and Lessee and City mutually agree in writing to a timeline for such work which extends beyond the __________ after the Commencement Date, then Lessee shall complete the Proposed Improvements in accordance with the deadlines established in such approved timeline.

9.5. Prevailing Wages. Lessee agrees that any person performing labor on any “public work” at the Premises, which includes the Required Improvements, Proposed Improvements, Alterations, demolition, installation, and repair work if paid for in whole or part out of public funds, shall be paid not less than the highest prevailing rate of wages consistent with the requirements of Section 6.22(E) of the San Francisco Administrative Code, and shall be subject to the same hours and working conditions, and shall receive the same benefits as in each case are provided for similar work performed in San Francisco County. The terms “public work” and “paid for in whole or part out of public funds” as used in this Section are defined in California Labor Code Section 1720 et seq., as amended. Lessee shall include in any contract for such labor a requirement that all persons performing labor under such contract shall be paid not less than the highest prevailing rate of wages for the labor so performed. Lessee shall require any contractor to provide, and shall deliver to City upon request, certified payroll reports with respect to all persons performing such labor at the Premises.

9.6. Local Hire Requirements. Unless exempt, Lessee agrees to comply with the Local Hiring Policy set forth in San Francisco Administrative Code Section 6.22(G) (the “Local Hiring Policy”) in the performance of the Required Improvements, the Proposed Improvements, or any Alterations. Before starting any such work, Lessee shall contact City’s Office of Economic Workforce and Development (“OEWD”) to verify the Local Hiring Policy requirements that apply to the work, and Lessee shall comply with all such requirements. Failure to comply shall be deemed a breach of this Lease, and Lessee may also be liable for penalties as set forth in Section 6.22(G). Without limiting the foregoing:

(1) For Covered Projects that exceed $750,000, Lessee shall comply with the applicable mandatory participation levels for Project Work Hours performed by Local Residents, Disadvantaged Workers, and Apprentices as set forth in Section 6.22(G)(4).

(2) For Covered Projects that exceed $1,000,000, Lessee shall prepare and submit to OEWD for approval a local hiring plan as set forth in Section 6.22(G)(6).

(3) Lessee shall comply with the applicable record keeping and reporting requirements and shall cooperate in City inspections and audits for compliance with the Local Hiring Policy.

Any capitalized term used in this Section that is not defined will have the meaning given to such term in the Local Hiring Policy.

9.7. Notice to Proceed with Improvements. Lessee agrees that the alterations, improvements and repairs to be made by Lessee pursuant to the terms and conditions of this Lease shall not commence until this Lease has been approved by the Board of Supervisors of the City and County of San Francisco and the Lessee obtains from City written approval to proceed.
10. REPAIRS AND MAINTENANCE

10.1. Lessee Responsible for Maintenance and Repair.

(a) Except as provided in Section 9.2 below, City shall not under any circumstances be responsible for the performance of any Alterations or Improvements to the Premises or any adjoining property (including, without limitation, access roads, utilities and other infrastructure serving the Premises), nor shall City be liable for any portion of the cost thereof.

(b) Lessee shall maintain the Premises and any existing and permitted Improvements at all times in clean, safe, attractive and sanitary condition and in good order and repair, to City's reasonable satisfaction. If any portion of the Premises or any of City's property located on or about the Premises is damaged by any of the activities conducted by Lessee or its Agents or Invitees hereunder, Lessee shall immediately, at its sole cost, repair any and all such damage and restore the Premises or City's property to its previous condition.

(c) Lessee shall keep all fixtures and equipment on the Premises clean, neat, safe, sanitary and in good order at all times. Lessee shall remove all waste, trash, rubbish, papers, cartons and refuse from the Premises, pick up trash and debris in the immediate vicinity of the Premises and dispose of trash in containers provided by Lessee that are large enough to adequately serve the needs of the facility. Lessee shall provide a dumpster and shall keep it in clean and orderly condition.

(d) Food Service and Seating Areas. During the hours Lessee is open for business, Lessee shall keep the food service and seating areas and any furniture free of dishes, utensils, debris and spills and in a neat, clean, orderly and attractive condition at all times and shall, as necessary, provide and empty garbage receptacles serving such area. The tables and chairs in any seating areas shall be configured so that there are walkways and sufficient area for pedestrian ingress and egress on either side of the tables and to minimize any potential tripping or other hazards.

(e) Public Restrooms. Lessee shall be responsible for the regular cleaning on the public restrooms located on the Premises. The restrooms shall be open to the public at all times the Premises are open to the public. The restrooms shall be kept clean, neat, orderly and functioning properly at all times. Lessee, at its own expense, shall provide all necessary items for the restrooms including, but limited to, toilet tissue, paper towels, seat covers and hand soap. Lessee shall provide, at its sole expense, all cleaning materials and supplies necessary to maintain the public restrooms in the condition as described above. Restrooms shall be thoroughly cleaned daily and inspected for supplies and neatness a minimum of two (2) times during each day Lessee's business is open to the public.

10.2. City's Maintenance and Repair Obligations. Notwithstanding Section 9.1, City shall maintain, repair and keep in good condition any adjoining property under the jurisdiction of the Commission (other than the Premises), including gardening and landscaping services, and exterior bathrooms. Lessee shall provide City with prompt written notice of any required repair or maintenance item. City shall maintain, repair and replace if necessary all structural elements of the Premises. City shall be responsible for the structural integrity of the roof and its structural members.

10.3. No Right to Repair and Deduct. Lessee expressly waives the benefit of any existing or future Law or judicial or administrative decision that would otherwise permit Lessee
to make repairs or replacements at City's expense, or to terminate this Lease because of City's failure to keep the Premises or any adjoining property (including, without limitation, access roads, utilities and other infrastructure serving the Premises) or any part thereof in good order, condition or repair, or to abate or reduce any of Lessee's obligations hereunder on account of the Premises or any adjoining property (including, without limitation, access roads, utilities and other infrastructure serving the Premises) or any part thereof being in need of repair or replacement. Without limiting the foregoing, Lessee expressly waives the provisions of California Civil Code Sections 1932, 1941 and 1942 or any similar Laws with respect to any right of Lessee to terminate this Lease and with respect to any obligations of City for tenantability of the Premises and any right of Lessee to make repairs or replacements and deduct the cost thereof from Rent.

11. UTILITIES

11.1. Utilities and Services. City shall pay for water, gas and electricity to the Premises. If Lessee desires any upgrades to water, gas or electricity services in connection with the operation of Lessee's business at the Premises, such upgrades shall be subject to City’s prior written consent, and shall be made at Lessee's sole cost and expense. Lessee shall pay for sewer charges billed to Lessee by the Water Department, charges for garbage and recycling disposal and all telephone, fax and internet connection charges, including the cost of bringing any such service(s) to locations in the Premises.

11.2. Interruption of Services. City’s obligation to provide utilities and services for the Premises are subject to applicable Laws (including the rules or actions of the public utility company furnishing the utility or service), and shutdowns for maintenance and repairs, for security purposes, or due to strikes, lockouts, labor disputes, fire or other casualty, acts of God, or other causes beyond the control of City. In the event of an interruption in, or failure or inability to provide any service or utility for the Premises for any reason, such interruption, failure or inability shall not constitute an eviction of Lessee, constructive or otherwise, or impose upon City any liability whatsoever, including, but not limited to, liability for consequential damages or loss of business by Lessee. Lessee hereby waives the provisions of California Civil Code Section 1932(1) or any other applicable existing or future Law permitting the termination of this Lease due to such interruption, failure or inability.

11.3. Water and Energy Conservation; Mandatory or Voluntary Restrictions. In the event any law, ordinance, code or governmental or regulatory guideline imposes mandatory or voluntary controls on City or the Property or any part thereof, relating to the use or conservation of energy, water, gas, light or electricity or the reduction of automobile or other emissions, or the provision of any other utility or service provided with respect to this Lease, or in the event City is required or elects to make alterations to any part of the Improvements on the Premises in order to comply with such mandatory or voluntary controls or guidelines, such compliance and the making of such alterations shall in no event entitle Lessee to any damages, relieve Lessee of the obligation to pay the full Base Rent and Additional Charges reserved hereunder or to perform each of its other covenants hereunder or constitute or be construed as a constructive or other eviction of Lessee. City shall have the right at any time to install a water meter in the Premises or otherwise to measure the amount of water consumed on the Premises, and the cost of such meter or other corrective measures and the installation and maintenance thereof shall be paid for by Lessee.

11.4. Antennae. No antennae or telecommunication dish may be installed on the Premises without the advance written approval of City. No such antennae or telecommunications dishes shall interfere with City’s emergency and non-emergency communications facilities or the
transmission facilities of City. Lessee agrees, at the request of City, to permit City to install, at City’s sole cost, transmission equipment for City’s emergency or 800 MHz City wide radio system communications facilities (or its successor) at a location on top of the Improvements acceptable to Lessee.

12. LIENS

Lessee shall keep the Premises and all of City's property free from any liens arising out of any work performed, material furnished or obligations incurred by or for Lessee. In the event Lessee does not, within five (5) days following the imposition of any such lien, cause the lien to be released of record by payment or posting of a proper bond, City shall have in addition to all other remedies provided herein and by Law or equity the right, but not the obligation, to cause the same to be released by such means as it shall deem proper, including, but not limited to, payment of the claim giving rise to such lien. All such sums paid by City and all expenses it incurs in connection therewith (including, without limitation, reasonable attorneys' fees) shall be payable to City by Lessee upon demand. City shall have the right at all times to post and keep posted on the Premises any notices permitted or required by Law or that City deems proper for its protection and protection of the Premises and City's property, from mechanics' and materialmen's liens. Lessee shall give City at least fifteen (15) days' prior written notice of the commencement of any repair or construction on any of the Premises. Notwithstanding the foregoing, Lessee shall have the right, upon posting of an adequate bond or other security acceptable to City, to contest any such lien, and in such case City shall not seek to satisfy or discharge such lien unless Lessee has failed to do so within ten (10) days after final determination of the validity thereof. Lessee shall Indemnify City, the other Indemnified Parties and the Premises against any and all Losses arising out of any such contest.

13. COMPLIANCE WITH LAWS

13.1. Compliance with Laws. Lessee shall promptly, at its sole expense, maintain the Premises, any Improvements permitted hereunder and Lessee's use and operations thereon in strict compliance at all times with all present and future Laws, whether foreseen or unforeseen, ordinary as well as extraordinary. Such Laws shall include, without limitation, all Laws relating to health and safety and disabled accessibility including, without limitation, the Americans with Disabilities Act, 42 U.S.C.S. §§ 12101 et seq. and Title 24 of the California Code of Regulations, all present and future Environmental Laws (as defined in this Lease below), and all present and future life safety, fire sprinkler, seismic retrofit and other building code requirements. The Parties acknowledge and agree that Lessee's obligation to comply with all laws as provided herein is a material part of the bargained-for consideration under this Lease. Lessee's obligation under this Section shall include, without limitation, the responsibility of Lessee to make substantial or structural repairs and alterations to the Premises (including any Improvements), regardless of, among other factors, the relationship of the cost of curative action to the Rent under this Lease, the length of the then remaining Term hereof, the relative benefit of the repairs to Lessee or City, the degree to which the curative action may interfere with Lessee's use or enjoyment of the Premises, the likelihood that the parties contemplated the particular Law involved, and whether the Law involved is related to Lessee's particular use of the Premises. No occurrence or situation arising during the Term, nor any present or future Law, whether foreseen or unforeseen, and however extraordinary, shall relieve Lessee from its obligations hereunder, or shall give Lessee any right to terminate this Lease in whole or in part or to otherwise seek redress against City. Lessee waives any rights now or hereafter conferred upon it by any existing or future Law to terminate this Lease, to receive any abatement, diminution, reduction or suspension of payment of Rent, or to compel City to make any repairs to comply with any such Laws, on account of any such occurrence or situation.
13.2. **Regulatory Approvals**

(a) **Responsible Party.** Lessee understands and agrees that Lessee's use of the Premises may require authorizations, approvals or permits from governmental regulatory agencies with jurisdiction over the Premises. Lessee shall be solely responsible for obtaining any and all such regulatory approvals. Lessee shall not seek any regulatory approval without first obtaining the written consent of the General Manager. Lessee shall bear all costs associated with applying for, obtaining and maintaining any necessary or appropriate regulatory approval and shall be solely responsible for satisfying any and all conditions imposed by regulatory agencies as part of a regulatory approval. Any fines or penalties levied as a result of Lessee's failure to comply with the terms and conditions of any regulatory approval shall be immediately paid and discharged by Lessee, and City shall have no liability, monetary or otherwise, for any such fines or penalties. Lessee shall Indemnify City and the other Indemnified Parties against all Losses arising in connection with Lessee's failure to obtain or comply with the terms and conditions of any regulatory approval.

(b) **City Acting as Owner of Real Property.** Lessee further understands and agrees that City, acting by and through the Commission, is entering into this Lease in its capacity as a property owner with a proprietary interest in the Premises and not as a regulatory agency with police powers. Nothing in this Lease shall limit in any way Lessee's obligation to obtain any required approvals from City departments, boards or commissions having jurisdiction over the Premises. By entering into this Lease, City is in no way modifying or limiting Lessee's obligation to cause the Premises or any permitted Improvements to be used and occupied in accordance with all applicable Laws, as provided further above.

13.3. **Compliance with City's Risk Management Requirements.** Lessee shall not do anything, or permit anything to be done, in or about the Premises or any Improvements permitted hereunder that would create any unusual fire risk, and shall take commercially reasonable steps to protect City from any potential premises liability. Lessee shall faithfully observe, at its expense, any and all reasonable requirements of City's Risk Manager with respect thereto and with the requirements of any policies of public liability, fire or other policies of insurance at any time in force with respect to the Premises and any Improvements as required hereunder.

13.4. **Reports.** Lessee shall submit a report and provide such documentation to City as City may from time to time request regarding Lessee's operations and evidencing compliance thereof with this Lease and all Laws. In the event that Lessee prepares or obtains any report or other informational document relating to the Premises or any Improvements thereon, Lessee shall promptly deliver a copy of such report or document to City.

14. **FINANCING; ENCUMBRANCES; SUBORDINATION**

14.1. **Encumbrance of City's Fee Interest.** The following provisions shall apply notwithstanding anything to the contrary contained in this Lease.

(a) **Encumbrance by City.** To the extent permitted by applicable Law, City may at any time sell or otherwise transfer or encumber its fee estate in any portion of the Premises provided that (i) any such sale or Encumbrance shall be subject and subordinate to all of the terms of this Lease and the leasehold estate created hereby, (ii) the right of possession of Lessee to the Premises shall not be affected or disturbed by any such sale or Encumbrance, or by the exercise of any rights or remedies by any purchaser or Encumbrancer arising out of any
instrument reflecting such sale or Encumbrance so long as no Event of Default or Unmatured Event of Default is outstanding hereunder.

(b) **Encumbrance By Lessee.** Lessee shall not under any circumstances whatsoever Encumber in any manner City's estate in the Premises or any adjoining property, or City's interest under this Lease, or any portion thereof.

14.2. **Leasehold Encumbrances.** Without limiting Article 15 hereof, Lessee shall not Encumber this Lease or Lessee’s interest in this Lease, or assign or pledge assignment of the same as security for any debt, without first obtaining the written consent of City, which City may give or withhold in its sole discretion.

15. **DAMAGE OR DESTRUCTION**

15.1. **Damage or Destruction to the Improvements.** If the Premises or the Improvements are damaged by fire or other casualty, then City shall repair the same (subject to the provisions of Section 14.2 below) provided that funds for such repairs are appropriated by City’s Board of Supervisors, in its sole discretion, for such purpose and provided further that such repairs can be made within two hundred ten (210) days after the date of such damage (the "Repair Period"). In the event such conditions are satisfied, this Lease shall remain in full force and effect except that Lessee shall be entitled to a proportionate reduction of Base Rent and Additional Charges during the period of such repairs based upon the extent to which such damage and the making of such repairs materially interferes with Lessee's use or occupancy of the Premises (except to the extent that the damage or destruction was caused by the negligence or intentional misconduct of Lessee or its Agents). City shall use good faith efforts to notify Lessee within ninety (90) days after the date of such damage whether or not such repairs can be made within the Repair Period, and City’s determination thereof shall be binding on Lessee. If City determines that such repairs cannot be made within the Repair Period, City shall have the option to notify Lessee of: (a) City’s intention to repair such damage and diligently prosecute such repairs to completion within a reasonable period after the Repair Period, subject to the Board of Supervisor’s appropriation of all necessary funds, in which event this Lease shall continue in full force and effect and the Base Rent and Additional Charges shall be reduced as provided herein; or (b) City’s election to terminate this Lease as of a date specified in such notice, which date shall be not less than thirty (30) nor more than sixty (60) days after notice is given by City. In case of termination, the Base Rent and Additional Charges shall be reduced as provided above, and Lessee shall pay such reduced Base Rent and Additional Charges up to the date of termination. If at any time during the last twelve (12) months of the Term of this Lease, the Premises or the Improvements are damaged or destroyed, then either City or Lessee may terminate this Lease by giving written notice to the other party of its election to do so within thirty (30) days after the date of occurrence of such damage; provided, however, Lessee may terminate only if such damage or destruction substantially impairs its of the Premises for the uses permitted hereunder. The effective date of termination shall be specified in the notice of termination, which date shall not be more than thirty (30) days from the date of the notice.

15.2. **Lessee's Obligations.** Notwithstanding anything to the contrary in this Lease, City shall have no obligation to repair the Premises or the Improvements in the event the damage or destruction is attributable to any act or omission of Lessee or its Agents. In no event shall City be required to repair any damage to Lessee's Personal Property or any Improvements or Alterations installed or made on the Premises by or at the expense of Lessee. With respect to any damage to or destruction by fire or any other casualty to any Alterations or Improvements permitted hereunder made by or on behalf of Lessee during the Term hereof, Lessee shall, at its sole cost, restore, repair, replace or rebuild such Alterations or Improvements to the condition
such Alterations or Improvements were in prior to such damage or destruction, subject to any changes made in strict accordance with the requirements of Section 8.1 above, unless this Lease is terminated as provided in Section 14.1 above. If this Lease is terminated as provided in Section 14.1 above, then at City's written request Lessee shall promptly, at its sole cost, demolish such damaged Alterations and damaged Improvements or Alterations that were installed or made on the Premises by or at the expense of Lessee and remove them (including all debris) from the Premises in compliance with the provisions of Section 22.1 below.

15.3.   Waiver. The Parties understand and agree that the foregoing provisions of this Section are intended to govern fully the rights and obligations of the Parties in the event of damage or destruction to the Premises or Improvements, and City and Lessee each hereby waives and releases any right to terminate this Lease in whole or in part under Sections 1932.2 and 1933.4 of the Civil Code of California or under any similar Laws now or hereafter in effect, to the extent such rights are inconsistent with the provisions hereof.

16.  EMINENT DOMAIN

16.1.  General. If during the Term or during the period between the execution of this Lease and the Commencement Date, any Taking of all or any part of the Premises or any interest in this Lease occurs, the rights and obligations of the Parties hereunder shall be determined pursuant to this Section. City and Lessee intend that the provisions hereof govern fully in the event of a Taking and accordingly, the Parties each hereby waives any right to terminate this Lease in whole or in part under Sections 1265.120 and 1265.130 of the California Code of Civil Procedure or under any similar Law now or hereafter in effect.

16.2.  Total Taking; Automatic Termination. If a total Taking of the Premises occurs, then this Lease shall terminate as of the Date of Taking.

16.3.  Partial Taking; Election to Terminate.

(a)   If a Taking of any portion (but less than all) of the Premises occurs, then this Lease shall terminate in its entirety under either of the following circumstances: (i) if all of the following exist: (A) the partial Taking renders the remaining portion of the Premises untenantable or unsuitable for continued use by Lessee, (B) the condition rendering the Premises untenantable or unsuitable either is not curable or is curable but City is unwilling or unable to cure such condition, and (C) Lessee elects to terminate; or (ii) if City elects to terminate, except that this Lease shall not terminate if Lessee agrees to, and does, pay full Rent and Additional Charges, without abatement, and otherwise agrees to, and does, fully perform all of its obligations hereunder.

(b)   City shall have the right to terminate this Lease in the event of a partial Taking of a substantial portion of any of City's adjoining real property, even if the Taking does not directly affect the Premises.

(c)   Either Party electing to terminate under the provisions of this Article 15 shall do so by giving written notice to the other Party before or within thirty (30) days after the Date of Taking, and thereafter this Lease shall terminate upon the later of the thirtieth day after such written notice is given or the Date of Taking.

16.4.  Rent; Award. Upon termination of this Lease pursuant to an election under Section 15.3 above, then: (i) Lessee's obligation to pay Rent shall continue up until the date of termination, and thereafter shall cease, except that Rent shall be reduced as provided in
Section 15.5 below for any period during which this Lease continues in effect after the Date of Taking, and (ii) City shall be entitled to the entire Award in connection therewith (including, but not limited to, any portion of the Award made for the value of the leasehold estate created by this Lease), and Lessee shall have no claim against City for the value of any unexpired term of this Lease, provided that Lessee may make a separate claim for compensation, and Lessee shall receive any Award made specifically to Lessee, for Lessee's relocation expenses or the interruption of or damage to Lessee's business or damage to Lessee's Personal Property.

16.5. Partial Taking; Continuation of Lease. If a partial Taking of the Premises occurs and this Lease is not terminated in its entirety under Section 15.3 above, then this Lease shall terminate as to the portion of the Premises so taken, but shall remain in full force and effect as to the portion not taken, and the rights and obligations of the Parties shall be as follows: (i) Base Rent shall be reduced by an amount that is in the same ratio to the Base Rent as the area of the Premises taken bears to the area of the Premises prior to the Date of Taking, and (ii) City shall be entitled to the entire Award in connection therewith (including, but not limited to, any portion of the Award made for the value of the leasehold estate created by this Lease). Lessee shall have no claim against City for the value of any unexpired Term of this Lease, provided that Lessee may make a separate claim for compensation. Lessee shall retain any Award made specifically to Lessee for Lessee's relocation expenses or the interruption of or damage to Lessee's business or damage to Lessee's Personal Property.

16.6. Temporary Takings. Notwithstanding anything to contrary in this Section, if a Taking occurs with respect to all or any part of the Premises for a limited period of time not in excess of sixty (60) consecutive days, this Lease shall remain unaffected thereby, and Lessee shall continue to pay Rent and to perform all of the terms, conditions and covenants of this Lease. In the event of such temporary Taking, Lessee shall be entitled to receive that portion of any Award representing compensation for the use or occupancy of the Premises during the Term up to the total Rent owing by Lessee for the period of the Taking, and City shall be entitled to receive the balance of any Award.

17. ASSIGNMENT AND SUBLETTING

17.1. Restriction on Assignment and Subletting. Lessee shall not directly or indirectly (including, without limitation, by merger, acquisition, sale or other transfer of any controlling interest in Lessee), voluntarily or by operation of Law, sell, assign, encumber, pledge or otherwise transfer any part of its interest in or rights with respect to the Premises, any Improvements or its leasehold estate hereunder (collectively, "Assignment"), or permit any portion of the Premises or any Improvements to be occupied by anyone other than itself, or sublet any portion of the Premises or any permitted Improvements thereon. Any Assignment or Sublease shall be voidable at the option of the City in its sole and absolute discretion; and the City shall have the right to terminate immediately this Lease by sending written notice to Lessee.

17.2. Effect of Transfer. No Sublease or Assignment by Lessee shall relieve Lessee, or any guarantor, of any obligation to be performed by Lessee under this Lease. Any Sublease or Assignment shall constitute a material Event of Default by Lessee under this Lease. The acceptance of any Rent or other payments by City from a proposed Transferee shall not constitute consent to such Sublease or Assignment by City or a recognition of any Transferee, or a waiver by City of any failure of Lessee or other transferor to comply with this Section.

17.3. Indemnity for Relocation Benefits. Without limiting Section 16.2, Lessee shall cause any Transferee to expressly waive entitlement to any and all relocation assistance and
benefits in connection with this Lease. Lessee shall Indemnify City and the other Indemnified Parties for any and all Losses arising out of any relocation assistance or benefits payable to any Transferee.

18. DEFAULT; REMEDIES

18.1. Events of Default. Any of the following shall constitute an event of default ("Event of Default") by Lessee hereunder:

   (a) Rent. Any failure to pay any Rent or other sums as and when due, provided Lessee shall have a period of three (3) days from the date of written notice of such failure from City within which to cure any default in the payment of Rent or other sums; provided, however, that City shall not be required to provide such notice regarding Lessee's failure to make such payments when due more than twice during any calendar year, and any such failure by Lessee after Lessee has received two such notices in any calendar year from City shall constitute a default by Lessee hereunder without any requirement on the part of City to give Lessee notice of such failure or an opportunity to cure except as may be required by Section 1161 of the California Code of Civil Procedure;

   (b) Covenants, Conditions and Representations. Any failure to perform or comply with any other covenant, condition or representation made under this Lease, provided Lessee shall have a period of fifteen (15) days from the date of written notice from City of such failure within which to cure such default under this Lease, or, if such default is not capable of cure within such 15-day period, Lessee shall have a reasonable period to complete such cure if Lessee promptly undertakes action to cure such default within such 15-day period and thereafter diligently prosecutes the same to completion and Lessee uses its best efforts to complete such cure within sixty (60) days after the receipt of notice of default from City; provided, however, that upon the occurrence during the Term of two (2) defaults of the same obligation City shall not be required to provide any notice regarding Lessee's failure to perform such obligation, and any subsequent failure by Lessee after Lessee has received two such notices shall constitute a default by Lessee hereunder without any requirement on the part of City to give Lessee notice of such failure or an opportunity to cure;

   (c) Vacation or Abandonment. Any vacation or abandonment of the Premises for more than fourteen (14) consecutive days; and

   (d) Bankruptcy. The appointment of a receiver to take possession of all or substantially all of the assets of Lessee, or an assignment by Lessee for the benefit of creditors, or any action taken or suffered by Lessee under any insolvency, bankruptcy, reorganization, moratorium or other debtor relief act or statute, whether now existing or hereafter amended or enacted, if any such receiver, assignment or action is not released, discharged, dismissed or vacated within sixty (60) days.

18.2. Remedies. Upon the occurrence of an Event of Default by Lessee, City shall have the following rights and remedies in addition to all other rights and remedies available to City at Law or in equity:

   (a) Terminate Lease and Recover Damages. The rights and remedies provided by California Civil Code Section 1951.2 (damages on termination for breach), including, but not limited to, the right to terminate Lessee's right to possession of the Premises and to recover the worth at the time of award of the amount by which the unpaid Base Rent and Additional Charges for the balance of the Term after the time of award exceeds the amount of
rental loss for the same period that Lessee proves could be reasonably avoided, as computed pursuant to subsection (b) of such Section 1951.2. City's efforts to mitigate the damages caused by Lessee's breach of this Lease shall not waive City's rights to recover damages upon termination.

(b) Continue Lease and Enforce Rights. The rights and remedies provided by California Civil Code Section 1951.4 (continuation of lease after breach and abandonment), which allows City to continue this Lease in effect and to enforce all of its rights and remedies under this Lease, including the right to recover Rent as it becomes due, for so long as City does not terminate Lessee's right to possession, if Lessee has the right to sublet or assign, subject only to reasonable limitations. For purposes hereof, none of the following shall constitute a termination of Lessee's right of possession: acts of maintenance or preservation; efforts to relet the Premises or the appointment of a receiver upon City's initiative to protect its interest under this Lease; or withholding consent to an Assignment or Sublease, or terminating an Assignment or Sublease, if the withholding or termination does not violate the rights of Lessee specified in subdivision (b) of California Civil Code Section 1951.4. If City exercises its remedy under California Civil Code Section 1951.4, City may from time to time sublet the Premises or any part thereof for such term or terms (which may extend beyond the Term) and at such rent and upon such other terms as City in its sole discretion may deem advisable, with the right to make alterations and repairs to the Premises. Upon each such subletting, Lessee shall be immediately liable for payment to City of, in addition to Base Rent and Additional Charges due hereunder, the cost of such subletting and such alterations and repairs incurred by City and the amount, if any, by which the Base Rent and Additional Charges owing hereunder for the period of such subletting (to the extent such period does not exceed the Term) exceeds the amount to be paid as Base Rent and Additional Charges for the Premises for such period pursuant to such subletting. No action taken by City pursuant to this Section 17.2(b) shall be deemed a waiver of any default by Lessee and, notwithstanding any such subletting without termination, City may at any time thereafter elect to terminate this Lease for such previous default.

(c) Appointment of Receiver. The right to have a receiver appointed for Lessee upon application by City to take possession of the Premises and to apply any rental collected from the Premises and to exercise all other rights and remedies granted to City pursuant to this Lease.

18.3. City's Right to Cure Lessee's Defaults. If Lessee defaults in the performance of any of its obligations under this Lease, then City may at any time thereafter with three (3) days prior oral or written notice (except in the event of an emergency as determined by City), remedy such Event of Default for Lessee's account and at Lessee's expense. Lessee shall pay to City, as Additional Rent, promptly upon demand, all sums expended by City, or other costs, damages, expenses or liabilities incurred by City, including, without limitation, reasonable attorneys' fees, in remedying or attempting to remedy such Event of Default. Lessee's obligations under this Section shall survive the termination of this Lease. Nothing herein shall imply any duty of City to do any act that Lessee is obligated to perform under any provision of this Lease, and City's cure or attempted cure of Lessee's Event of Default shall not constitute a waiver of Lessee's Event of Default or any rights or remedies of City on account of such Event of Default.

19. WAIVER OF CLAIMS; INDEMNIFICATION

19.1. Waiver of Claims. Lessee covenants and agrees that City shall not be responsible for or liable to Lessee for, and, to the fullest extent allowed by law, Lessee hereby waives all rights against City and its Agents and releases City and its Agents from, any and all Losses, including, but not limited to, incidental and consequential damages, relating to any
injury, accident or death of any person or loss or damage to any property, in or about the Premises or any other City property, from any cause whatsoever. Nothing herein shall relieve City from liability caused solely and directly by the gross negligence or willful misconduct of City or its Agents, but City shall not be liable under any circumstances for any consequential, incidental or punitive damages. Without limiting the foregoing:

(a) Lessee expressly acknowledges and agrees that the Rent payable hereunder does not take into account any potential liability of City for any consequential or incidental damages including, but not limited to, lost profits arising out of disruption to the Improvements or Lessee's uses hereunder. City would not be willing to enter into this Lease in the absence of a complete waiver of liability for consequential or incidental damages due to the acts or omissions of City or its Agents, and Lessee expressly assumes the risk with respect thereto. Accordingly, without limiting any indemnification obligations of Lessee or other waivers contained in this Lease and as a material part of the consideration for this Lease, Lessee fully RELEASES, WAIVES AND DISCHARGES forever any and all claims, demands, rights, and causes of action against City for consequential and incidental damages (including without limitation, lost profits), and covenants not to sue for such damages, City, its departments, commissions, officers, directors and employees, and all persons acting by, through or under each of them, arising out of this Lease or the uses authorized hereunder, including, without limitation, any interference with uses conducted by Lessee pursuant to this Lease regardless of the cause, and whether or not due to the negligence or gross negligence of City or its Agents.

(b) In connection with the foregoing releases, Lessee acknowledges that it is familiar with Section 1542 of the California Civil Code, which reads:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

Lessee acknowledges that the releases contained herein include all known and unknown, disclosed and undisclosed, and anticipated and unanticipated claims. Lessee realizes and acknowledges that it has agreed upon this Lease in light of this realization and, being fully aware of this situation, it nevertheless intends to waive the benefit of Civil Code Section 1542, or any statute or other similar law now or later in effect. The releases contained herein shall survive any termination of this Lease.

19.2. **Lessee's Indemnity.** Lessee, on behalf of itself and its successors and assigns, shall Indemnify City and the other Indemnified Parties from and against any and all Losses incurred in connection with or arising directly or indirectly, in whole or in part, out of: (a) any accident, injury to or death of a person, including, without limitation, Agents and Invitees of Lessee, or loss of or damage to property (including, without limitation, the Department Facilities) howsoever or by whomsoever caused, occurring in, on or about the Premises or any other City property; (b) any default by Lessee in the observation or performance of any of the terms, covenants or conditions of this Lease to be observed or performed on Lessee's part; (c) the use, occupancy, conduct or management, or manner of use, occupancy, conduct or management by Lessee, its Agents or Invitees or any person or entity claiming through or under any of them, of the Premises or any Improvements; (d) the condition of the Premises or any Improvements constructed by or on behalf of Lessee, or Lessee's failure to properly repair or maintain any Improvements on the Premises; (e) any construction or other work undertaken by Lessee on or about the Premises or any Improvements whether before or during the Term of this Lease; or
(f) any acts, omissions or negligence of Lessee, its Agents or Invitees, or of any trespassers, in, on or about the Premises or any Improvements; all regardless of the active or passive negligence of, and regardless of whether liability without fault is imposed or sought to be imposed on, the Indemnified Parties, except to the extent that such Indemnity is void or otherwise unenforceable under applicable Law in effect on or validly retroactive to the date of this Lease and further except only such Losses as are caused exclusively by the gross negligence and intentional wrongful acts and omissions of the Indemnified Parties. The foregoing Indemnity shall include, without limitation, reasonable fees of attorneys, consultants and experts and related costs and City's costs of investigating any Loss. Lessee specifically acknowledges and agrees that it has an immediate and independent obligation to defend City and the other Indemnified Parties from any claim which actually or potentially falls within this indemnity provision even if such allegation is or may be groundless, fraudulent or false, which obligation arises at the time such claim is tendered to Lessee by City and continues at all times thereafter. Lessee's obligations under this Section shall survive the expiration or sooner termination of the Lease.

20. INSURANCE

20.1. Lessee's Insurance. Lessee, at no cost to the City, shall procure and keep in effect at all times during the Term insurance as follows:

(i) Commercial general liability insurance with limits not less than One Million Dollars ($1,000,000) each occurrence combined single limit for bodily injury and property damage, including contractual liability, independent contractors, broad-form property damage, fire damage legal liability (of not less than Two Hundred Fifty Thousand Dollars ($250,000)), personal injury, products and completed operations, and explosion, collapse and underground (XCU). If the operation of Lessee's business includes food sales, such coverage shall include Food Products Liability Insurance with limits not less than One Million Dollars ($1,000,000) each occurrence. If the operation of Lessee's business includes the sale of alcoholic beverages, such coverage shall include legal liquor liability coverage with limits not less than One Million Dollars ($1,000,000) each occurrence.

(ii) Worker’s Compensation Insurance with Employer’s Liability Limits not less than One Million Dollars ($1,000,000) each accident.

(iii) Sexual molestation and abuse coverage with minimum limits of $2,000,000 per occurrence and $4,000,000 in the aggregate. Coverage may be held as a separate policy or included by endorsement in the Commercial General Liability or Errors and Omissions policy.

(iv) Business automobile liability insurance with limits not less than One Million Dollars ($1,000,000) each occurrence combined single limit for bodily injury and property damage, including owned and non-owned and hired vehicles, as applicable, if Lessee uses automobiles in connection with its use of the Premises.

(v) Business Interruption Insurance insuring that the Rent will be paid to City for a period of at least one (1) year if Lessee is unable to operate its business at the Premises. Such insurance shall also cover business interruptions due to failures or interruptions in telecommunications services, strikes, employee lockouts, riots, or other civil commotion. To calculate Rent during any such interruption of business, the Rent for the 12-month period immediately preceding the incident causing the business interruption shall be used.
Such other risks in such amounts as City's Risk Manager may from time to time reasonably require.

Licensed professionals (i.e., architects, engineers, certified public accountants, etc.) shall provide professional liability insurance with limits not less than One Million Dollars ($1,000,000) each claim with respect to negligent acts, errors or omissions in connection with professional services to be provided under this Lease or to the Premises.

20.2. General Requirements. All insurance provided for under this Lease shall be effected under valid enforceable policies issued by insurers of recognized responsibility and reasonably approved by City.

(a) Should any of the required insurance be provided under a claims-made form, Lessee shall maintain such coverage continuously throughout the term hereof and, without lapse, for a period of three (3) years beyond the expiration or termination of this Lease, to the effect that, should occurrences during the Term give rise to claims made after expiration or termination of this Lease, such claims shall be covered by such claims-made policies.

(b) Should any of the required insurance be provided under a form of coverage that includes a general annual aggregate limit or provides that claims investigation or legal defense costs be included in such general annual aggregate limit, such general aggregate limit shall double the occurrence or claims limits specified above.

(c) All liability insurance policies shall be endorsed to provide the following:

Name Lessee as the insured and the City and County of San Francisco, its officers, agents and employees, as additional insureds, as their respective interests may appear hereunder.

That such policies are primary insurance to any other insurance available to the additional insureds, with respect to any claims arising out of this Lease, and that insurance applies separately to each insured against whom claim is made or suit is brought. Such policies shall also provide for severability of interests and that an act or omission of one of the named insureds which would void or otherwise reduce coverage shall not reduce or void the coverage as to any insured, and shall afford coverage for all claims based on acts, omissions, injury or damage which occurred or arose (or the onset of which occurred or arose) in whole or in part during the policy period.

All policies shall be endorsed to provide thirty (30) days' advance written notice to City of cancellation, non-renewal or reduction in coverage, mailed to the address(es) for City set forth in the Basic Lease Information.

(d) Each insurance policy required hereunder shall be issued by an insurance company licensed in the State of California and with a general policyholders' rating of "A-" or better and a financial size ranking of "Class VIII" or higher in the most recent edition of Best's Insurance Guide.

20.3. Proof of Insurance. Lessee shall deliver to City certificates of insurance in form and with insurers satisfactory to City, evidencing the coverages required hereunder and specifically and clearly referencing the Premises, on or before the Commencement Date, together
with complete copies of the policies promptly upon City's request, and Lessee shall provide City with certificates or policies thereafter at least thirty (30) days before the expiration dates of expiring policies. In the event Lessee shall fail to procure such insurance, or to deliver such policies or certificates, City may, at its option, procure the same for the account of Lessee, and the cost thereof shall be paid to City within five (5) days after delivery to Lessee of bills therefor. Lessee shall cause a copy of each certificate and renewal certificate required hereunder to be delivered to both the physical address and the email address for delivery of insurance certificates specified in the Basic Lease Information

20.4. Review of Insurance Requirements. Lessee and City shall periodically review the limits and types of insurance carried pursuant to this Section. If the general commercial practice in the City and County of San Francisco is to carry liability insurance in an amount or coverage materially greater than the amount or coverage then being carried by Lessee with respect to risks comparable to those associated with the Premises, then, at City's option, Lessee shall increase at its sole cost the amounts or coverages carried by Lessee to conform to such general commercial practice.

20.5. No Limitation on Indemnities. Lessee's compliance with the provisions of this Section shall in no way relieve or decrease Lessee's indemnification obligations under Sections 18.2 and 23.2 hereof, or any of Lessee's other obligations or liabilities under this Lease.

20.6. Lapse of Insurance. Notwithstanding anything to the contrary in this Lease, City may elect, in City's sole and absolute discretion, to terminate this Lease upon the lapse of any required insurance coverage by written notice to Lessee.

20.7. Lessee's Personal Property and Alterations and Improvements. Lessee shall be responsible, at its expense, for separately insuring Lessee's Personal Property, Alterations, and Improvements made by or on behalf of Lessee.

20.8. City's Self Insurance. Lessee acknowledges that City self-insures against casualty, property damage and public liability risks and agrees City shall not be required to carry any third party insurance with respect to the Premises or otherwise.

20.9. Waiver of Subrogation. Notwithstanding anything to the contrary contained herein, to the extent permitted by their respective policies of insurance, City and Lessee each hereby waive any right of recovery against the other party and against any other party maintaining a policy of insurance covering the Premises or other City property and their contents, or any portion thereof, for any loss or damage maintained by such other party with respect to the Premises, other City Property or any portion thereof or the contents of the same or any operation therein, whether or not such loss is caused by the fault or negligence of such other party. If any policy of insurance relating to the Premises or other City property carried by Lessee does not permit the foregoing waiver or if the coverage under any such policy would be invalidated due to such waiver, Lessee shall obtain, if possible, from the insurer under such policy a waiver of all rights of subrogation the insurer might have against City or any other party maintaining a policy of insurance covering the same loss, in connection with any claim, loss or damage covered by such policy.
21. ACCESS BY CITY

(a) General Access. City reserves for itself and its designated Agents, the right to enter the Premises and any portion thereof at all reasonable times upon not less than forty-eight (48) hours oral or written notice to Lessee (except in the event of an emergency) for any of the following purposes:

To determine whether the Premises are in good condition and to inspect the Premises (including, without limitation, soil borings or other Hazardous Material Investigations);

To determine whether Lessee is in compliance with its obligations hereunder and to cure or attempt to cure any such default in accordance with the provisions of Section 17.3 hereof;

To serve, post or keep posted any notices required or allowed under any of the provisions of this Lease;

To do any maintenance or repairs to the Premises that City has the right or the obligation, if any, to perform hereunder; and

To show it to any prospective purchasers, brokers, Encumbrancers or public officials, or, during the last year of the Term of this Lease, exhibiting the Premises to prospective tenants or other occupants, and to post any "for sale" or "for lease" or "coming soon" signs in connection therewith.

(b) Emergency Access. In the event of any emergency, as determined by City, City may, at its sole option and without notice, enter the Premises and alter or remove Lessee's Personal Property on or about the Premises. City shall have the right to use any and all means City considers appropriate to gain access to any portion of the Premises in an emergency. In such case, City shall not be responsible for any damage or injury to any such property, nor for the replacement of any such property and any such emergency entry shall not be deemed to be a forcible or unlawful entry onto or a detainer of, the Premises, or an eviction, actual or constructive, of Lessee from the Premises or any portion thereof.

(c) No Liability. City shall not be liable in any manner, and Lessee hereby waives any claims, for any inconvenience, disturbance, loss of business, nuisance or other damage arising out of City's entry onto the Premises, except damage resulting directly and exclusively from the gross negligence or willful misconduct of City or its Agents and not contributed to by the acts, omissions or negligence of Lessee, its Agents or Invitees.

(d) No Abatement. Lessee shall not be entitled to any abatement in Rent if City exercises any rights reserved in this Section.

(e) Minimize Disruption. City shall use its reasonable good faith efforts to conduct any activities on the Premises allowed under this Section in a manner that, to the extent practicable, will minimize any disruption to Lessee's use hereunder.

21.2. Department Facilities and Utility Installations. Without limiting Section 20.1 above, City shall have the right at all times, to enter upon the Premises upon forty eight (48) hours advance written or oral notice (except in cases of emergency as determined by City), to
use, install, construct, repair, maintain, operate, replace, inspect, and remove the Department Facilities, if any, or any public park or utility facilities. City shall bear the expense of any such activities, unless the need is occasioned by the acts, omissions or negligence of Lessee, its Agents or Invitees. City shall not be responsible for any temporary loss or disruption of Lessee's use of the Premises occasioned by any such facility installations or other activities.

21.3. **Roadways.** City and its Agents shall have the right to enter upon and pass through and across the Premises on any existing or future roadways and as City desires.

21.4. **Rights of Public.** Lessee shall keep the Premises open to the public at all times consistent with the uses permitted hereunder, subject to the Rules and Regulations or as otherwise approved by the General Manager in writing.

22. **ESTOPPEL CERTIFICATES**

Either Party hereto shall, from time to time during the Term upon not less than twenty (20) days' prior written notice from the other Party, execute, acknowledge and deliver to the other Party, or such persons or entities designated by such other Party, a statement in writing certifying: (a) the Commencement Date and Expiration Date of this Lease, (b) that this Lease is unmodified and in full force and effect (or, if there have been modifications, that the Lease is in full force and effect as modified and stating the modifications), (c) that there are no defaults under this Lease (or if so, specifying the same), (d) the dates, if any, to which the Rent has been paid, and (e) any other information that may be reasonably required by any such persons or entities. Any such certificate delivered pursuant to the provisions hereof may be relied upon by the other Party or any prospective purchaser or Encumbrancer of its estate. The General Manager shall be authorized to execute, acknowledge and deliver any such certificates of the City.

23. **SURRENDER**

23.1. **Surrender of the Premises.** Upon the Expiration Date or any earlier termination of this Lease pursuant hereto, Lessee shall surrender to City the Premises, in good condition, order and repair, free from debris and hazards, and free and clear of all liens, easements and other Encumbrances created or suffered by, through or under Lessee. On or before the Expiration Date or any earlier termination hereof, or later upon City’s request, Lessee shall, at its sole cost, remove any and all of Lessee's Personal Property from the Premises and demolish and remove any and all Improvements and Alterations from the Premises requested by City to be removed (except for any Improvements or Alterations that City agrees are to remain part of the Premises pursuant to the provisions of Section 8.2 above). In addition, Lessee shall, at its sole expense, repair any damage to the Premises resulting from the removal of any such items and restore the Premises to their condition immediately prior to the presence of any Improvements or Alterations. In connection therewith, Lessee shall obtain any and all necessary permits and approvals, including, without limitation, any environmental permits, and execute any manifests or other documents necessary to complete the demolition, removal or restoration work required hereunder. Lessee's obligations under this Section shall survive the Expiration Date or other termination of this Lease. Any items of Lessee's Personal Property remaining on or about the Premises after the Expiration Date of this Lease may, at City's option, be deemed abandoned and in such case City may dispose of such property in accordance with Section 1980 et seq. of the California Civil Code or in any other manner allowed by Law. If Lessee fails to surrender the Premises to City on the Expiration Date or earlier termination of the Term as required by this Section, Lessee shall Indemnify City against all Losses resulting therefrom, including, without
limitation, Losses made by a succeeding Lessee resulting from Lessee's failure to surrender the Premises.

23.2. **Automatic Reversion.** Upon the Expiration Date or earlier termination of this Lease, the Premises shall automatically, and without further act or conveyance on the part of Lessee or City, become the property of City, free and clear of all liens and Encumbrances and without payment therefor by City and shall be surrendered to City upon such date. Upon or at any time after the date of termination of this Lease, if requested by City, Lessee shall promptly deliver to City, without charge, a quitclaim deed to the Premises suitable for recordation and any other instrument reasonably requested by City to evidence or otherwise effect the termination of Lessee's leasehold estate hereunder and to effect such transfer or vesting of title to the Premises or any permitted Improvements or Alterations that City agrees are to remain part of the Premises pursuant to the provisions of Section 8.2 above.

24. **HAZARDOUS MATERIALS**

24.1. **No Hazardous Materials.** Lessee covenants and agrees that neither Lessee nor any of its Agents or Invitees shall cause or permit any Hazardous Material to be brought upon, kept, used, stored, generated or disposed of in, on or about the Premises or any Improvements or transported to or from the Premises or any Improvements. Lessee shall immediately notify City if and when Lessee learns or has reason to believe there has been any Release of Hazardous Material in, on or about the Premises or any Improvements. City may from time to time request Lessee to provide adequate information for City to determine that any Hazardous Material permitted hereunder is being handled in compliance with all applicable Environmental Laws, and Lessee shall promptly provide all such information. Without limiting Article 20 hereof, City and its Agents shall have the right to inspect the Premises for Hazardous Material and compliance with the provisions hereof at all reasonable times upon reasonable advance oral or written notice to Lessee (except in the event of an emergency).

24.2. **Lessee's Environmental Indemnity.** If Lessee breaches any of its obligations contained in Section 23.1 above, or, if any act or omission or negligence of Lessee or any of its Agents or Invitees results in any Release of Hazardous Material in, on, under or about the Premises (including any Improvements thereon) or any other City property, without limiting Lessee's general Indemnity contained in Section 18.2 above, Lessee, on behalf of itself and its successors and assigns, shall Indemnify City and the Indemnified Parties, and each of them, from and against all Hazardous Materials Claims arising during or after the Term of this Lease and relating to such Release. The foregoing Indemnity includes, without limitation, all costs associated with the Investigation and Remediation of Hazardous Material and with the restoration of the Premises or any other City property to its prior condition including, without limitation, fines and penalties imposed by regulatory agencies, natural resource damages and losses, and revegetation of the Premises or other City property. Without limiting the foregoing, if Lessee or any of Lessee's Agents or Invitees, causes or permits the Release of any Hazardous Materials in, on, under or about the Premises or any other City property, Lessee shall, immediately, at no expense to City, take any and all appropriate actions to return the Premises or other City property affected thereby to the condition existing prior to such Release and otherwise Investigate and Remediating the Release in accordance with all Environmental Laws. Lessee shall provide City with written notice of and afford City a full opportunity to participate in any discussions with governmental regulatory agencies regarding any settlement agreement, cleanup or abatement agreement, consent decree, permit, approvals, or other compromise or proceeding involving Hazardous Material.
24.3. **Hazardous Substance Disclosure.** California law requires landlords to disclose to tenants the presence or potential presence of certain Hazardous Materials. Accordingly, Lessee is hereby advised that occupation of the Premises may lead to exposure to Hazardous Materials such as, but not limited to, gasoline, diesel and other vehicle fluids, vehicle exhaust, cleaning fluids, tobacco smoke, methane and building materials containing chemicals, such as formaldehyde. Further, there are Hazardous Materials located on the Premises, which are described in ______________________________, copies of which have been delivered to or made available to Lessee. By execution of this Lease, Lessee acknowledges that the notices and warnings set forth above satisfy the requirements of California Health and Safety Code Section 25359.7 and related statutes.

25. **SECURITY DEPOSIT**

Lessee shall pay to City upon execution of this Lease the sum specified for the security deposit in the Basic Lease Information as security for the faithful performance of all terms, covenants and conditions of this Lease. Lessee agrees that City may (but shall not be required to) apply the security deposit in whole or in part to remedy any damage to the Premises, the Improvements, or the Department Facilities (if any) caused by Lessee, its Agents or Invitees, or any failure of Lessee to perform any other terms, covenants or conditions contained in this Lease, without waiving any of City's other rights and remedies hereunder or at Law or in equity. Should City use any portion of the security deposit to cure any Event of Default by Lessee hereunder, Lessee shall immediately replenish the security deposit to the original amount, and Lessee's failure to do so within five (5) days of City's notice shall constitute a material Event of Default under this Lease. If the Base Rent is increased pursuant to any of the provisions of this Lease, Lessee shall increase the amount of the security deposit accordingly. City's obligations with respect to the security deposit are solely that of debtor and not trustee. City shall not be required to keep the security deposit separate from its general funds, and Lessee shall not be entitled to any interest on such deposit. The amount of the security deposit shall not be deemed to limit Lessee's liability for the performance of any of its obligations under this Lease.

26. **HOLDING OVER**

Any holding over after the expiration of the Term with the express consent of City shall be construed to automatically extend the Term of this Lease on a month-to-month basis at a monthly Base Rent equal to one hundred ten percent (110%) of the amount set forth in Sections 5.1 and 5.2 hereof, and shall otherwise be on the terms and conditions herein specified so far as applicable (except for those pertaining to the Term). Any holding over without City's consent shall constitute a default by Lessee and entitle City to exercise any or all of its remedies as provided herein, notwithstanding that City may elect to accept one or more payments of Rent, and whether or not such amounts are at the holdover rate specified above or the rate in effect at the end of the Term of this Lease. Any holding over after the expiration of the Term without the City's consent shall be at a monthly rental rate equal to one hundred fifty percent (150%) of the rate in effect at the end of the Term of this Lease.

27. **GENERAL PROVISIONS**

27.1. **Notices.** Except as otherwise expressly provided in this Lease, any notice given hereunder shall be effective only if in writing and given by delivering the notice in person, or by sending it first-class mail or certified mail with a return receipt requested or reliable commercial overnight courier, return receipt requested, with postage prepaid, to: (a) Lessee (i) at Lessee's address set forth in the Basic Lease Information, if sent prior to Lessee's taking possession of the Premises, or (ii) at the Premises if sent on or subsequent to Lessee's taking possession of the...
Premises, or (iii) at any place where Lessee or any Agent of Lessee may be found if sent
subsequent to Lessee's vacating, abandoning or surrendering the Premises; or (b) City at City's
address set forth in the Basic Lease Information; or (c) to such other address as either City or
Lessee may designate as its new address for such purpose by notice given to the other in
accordance with the provisions of this Section at least ten (10) days prior to the effective date of
such change. Any notice hereunder shall be deemed to have been given two (2) days after the
date when it is mailed if sent by first-class or certified mail, one day after the date it is made if
sent by commercial overnight courier, or upon the date personal delivery is made, and any refusal
by either Party to accept the attempted delivery of any notice, if such attempted delivery is in
compliance with this Section and applicable Laws, shall be deemed receipt of such notice.
For convenience of the Parties, copies of notices may also be given by telefacsimile to the
telefacsimile number set forth in the Basic Lease Information or such other number as may be
provided from time to time; however, neither party may give official or binding notice by
telefacsimile. The effective time of a notice shall not be affected by the receipt, prior to receipt
of the original, of a telefacsimile copy of the notice.

27.2. No Implied Waiver. No failure by City to insist upon the strict performance of
any obligation of Lessee under this Lease or to exercise any right, power or remedy arising out of
a breach thereof, irrespective of the length of time for which such failure continues, no
acceptance of full or partial Base Rent or Additional Charges during the continuance of any such
breach, or possession of the Premises prior to the expiration of the Term by any Agent of City,
shall constitute a waiver of such breach or of City's right to demand strict compliance with such
term, covenant or condition or operate as a surrender of this Lease. No express written waiver of
any default or the performance of any provision hereof shall affect any other default or
performance, or cover any other period of time, other than the default, performance or period of
time specified in such express waiver. One or more written waivers of a default or the
performance of any provision hereof shall not be deemed to be a waiver of a subsequent default
or performance. The consent of City given in any instance under the terms of this Lease shall not
relieve Lessee of any obligation to secure the consent of City in any other or future instance
under the terms of this Lease.

27.3. Amendments. Neither this Lease nor any term or provisions hereof may be
changed, waived, discharged or terminated, except by a written instrument signed by the Parties
hereon. Whenever this Lease requires or permits the giving by City of its consent or approval, the
General Manager of the Department shall be authorized to provide such approval, except as
otherwise provided by applicable law, including the Charter. Any amendments or modifications
to this Lease, including, without limitation, amendments to or modifications to the exhibits to
this Lease, shall be subject to the mutual written agreement of City and Lessee, and City’s
agreement may be made upon the sole approval of the General Manager of the Department
provided such amendment or modification does not (i) decrease the amount of rental income
payable by Lessee to City, (ii) materially increase City’s liabilities or financial obligations under
this Lease, (iii) materially increase the size of the Premises, (iv) change the Term of this Lease,
or (v) materially change the permitted uses of the Premises. Any proposed amendment which
falls into the above specified categories shall require the approval of the Commission, and, if
required under the City’s Charter or Administrative Code, the Mayor, and the Board of
Supervisors.

27.4. Authority. If Lessee signs as a corporation, a partnership or a limited liability
company, each of the persons executing this Lease on behalf of Lessee does hereby covenant and
warrant that Lessee is a duly authorized and existing entity, that Lessee has and is qualified to do
business in California, that Lessee has full right and authority to enter into this Lease, and that
each and all of the persons signing on behalf of Lessee are authorized to do so. Upon City's request, Lessee shall provide City with evidence reasonably satisfactory to City confirming the foregoing representations and warranties.

27.5. Joint and Several Obligations. The word "Lessee" as used herein shall include the plural as well as the singular. If there is more than one Lessee, the obligations and liabilities under this Lease imposed on Lessee shall be joint and several.

27.6. Interpretation of Lease. The captions preceding the articles and sections of this Lease and in the table of contents have been inserted for convenience of reference only and such captions shall in no way define or limit the scope or intent of any provision of this Lease. This Lease has been negotiated at arm's length and between persons sophisticated and knowledgeable in the matters dealt with herein and shall be interpreted to achieve the intents and purposes of the Parties, without any presumption against the party responsible for drafting any part of this Lease. Provisions in this Lease relating to number of days shall be calendar days, unless otherwise specified, provided that if the last day of any period to give notice, reply to a notice or to undertake any other action occurs on a Saturday, Sunday or a bank or City holiday, then the last day for undertaking the action or giving or replying to the notice shall be the next succeeding business day. Use of the word "including" or similar words shall not be construed to limit any general term, statement or other matter in this Lease, whether or not language of non-limitation, such as "without limitation" or similar words, are used. Unless otherwise provided herein, whenever the consent of City is required to be obtained by Lessee hereunder, City may give or withhold such consent in its sole and absolute discretion. All such consents may be made by the General Manager acting alone, unless stated to the contrary herein.

27.7. Successors and Assigns. Subject to the provisions of Article 16 hereof relating to Assignment and Subletting, the terms, covenants and conditions contained in this Lease shall bind and inure to the benefit of City and Lessee and, except as otherwise provided herein, their personal representatives and successors and assigns; provided, however, that upon any sale, assignment or transfer by City named herein (or by any subsequent landlord) of its interest in the Premises as owner or lessee, including any transfer by operation of Law, City (or any subsequent landlord) shall be relieved from all subsequent obligations and liabilities arising under this Lease subsequent to such sale, assignment or transfer.

27.8. Brokers. Neither party has had any contact or dealings regarding the leasing of the Premises, or any communication in connection therewith, through any licensed real estate broker or other person who could claim a right to a commission or finder's fee in connection with the lease contemplated herein except as identified in the Basic Lease Information, whose commission, if any is due, shall be paid pursuant to a separate written agreement between such broker and the party through which such broker contracted. In the event that any other broker or finder perfects a claim for a commission or finder's fee based upon any such contact, dealings or communication, the party through whom the broker or finder makes a claim shall be responsible for such commission or fee and shall Indemnify the other party from any and all Losses incurred by the indemnified party in defending against the same. The provisions of this Section shall survive any termination of this Lease.

27.9. Severability. If any provision of this Lease or the application thereof to any person, entity or circumstance shall, to any extent, be invalid or unenforceable, the remainder of this Lease, or the application of such provision to persons, entities or circumstances other than those as to which it is invalid or unenforceable, shall not be affected thereby, and each other provision of this Lease shall be valid and be enforceable to the fullest extent permitted by Law.
27.10. **Governing Law.** This Lease shall be subject to, and construed and enforced in accordance with, the Laws of the State of California and the City’s Charter and Administrative Code.

27.11. **Entire Agreement.** This instrument (including the exhibits hereto, which are made a part of this Lease) contains the entire agreement between the Parties and supersedes all prior written or oral negotiations, discussions, understandings and agreements. The Parties further intend that this Lease shall constitute the complete and exclusive statement of its terms and that no extrinsic evidence whatsoever (including prior drafts of this Lease and any changes therefrom) may be introduced in any judicial, administrative or other legal proceeding involving this Lease. Lessee hereby acknowledges that neither City nor City's Agents have made any representations or warranties with respect to the Premises or this Lease except as expressly set forth herein, and no rights, easements or licenses are or shall be acquired by Lessee by implication or otherwise unless expressly set forth herein.

27.12. **Attorneys' Fees.** In the event that either City or Lessee fails to perform any of its obligations under this Lease or in the event a dispute arises concerning the meaning or interpretation of any provision of this Lease, the defaulting party or the party not prevailing in such dispute, as the case may be, shall pay any and all costs and expenses incurred by the other party in enforcing or establishing its rights hereunder (whether or not such action is prosecuted to judgment), including, without limitation, court costs and reasonable attorneys' fees. For purposes of this Lease, reasonable fees of attorneys of City's Office of the City Attorney shall be based on the fees regularly charged by private attorneys with the equivalent number of years of experience in the subject matter area of the law for which the City Attorney's services were rendered who practice in the City of San Francisco in law firms with approximately the same number of attorneys as employed by the Office of the City Attorney.

27.13. **Time of Essence.** Time is of the essence with respect to all provisions of this Lease in which a definite time for performance is specified.

27.14. **Cumulative Remedies.** All rights and remedies of either party hereto set forth in this Lease shall be cumulative, except as may otherwise be provided herein.

27.15. **Survival of Indemnities.** Termination of this Lease shall not affect the right of either party to enforce any and all indemnities, waivers and representations and warranties given or made to the other party under this Lease, nor shall it affect any provision of this Lease that expressly states it shall survive termination hereof.

27.16. **Relationship of Parties.** City is not, and none of the provisions in this Lease shall be deemed to render City, a partner in Lessee's business, or joint venturer or member in any joint enterprise with Lessee. Neither party shall act as the agent of the other party in any respect hereunder, and neither party shall have any authority to commit or bind the other party without such party's consent as provided herein. This Lease is not intended nor shall it be construed to create any third party beneficiary rights in any third party, unless otherwise expressly provided. The granting of this Lease by City does not constitute authorization or approval by City of any activity conducted by Lessee on, in or relating to the Premises.

27.17. **Transfer by City.** If City sells or otherwise transfers the Premises, City shall be released from its obligations hereunder arising on or after the date of such sale or transfer and Lessee shall look solely to the successor-in-interest to City. Upon a sale of the Premises by City, Lessee shall attorn to the purchaser or transferee, such attornment to be effective and self-operative without the execution of any further instruments on the part of the parties to this Lease.
This Lease shall not be deemed to constitute any commitment by City, or create any priority or right in favor of Lessee, with regard to any future sale or other disposition of the Premises, or any portion thereof.

27.18. Recording. Lessee agrees that it shall not record this Lease in the Official Records.

27.19. Non-Liability of City Officials, Employees and Agents. No elective or appointive board, commission, member, officer, employee or other Agent of City shall be personally liable to Lessee, its successors and assigns, in the event of any default or breach by City or for any amount which may become due to Lessee, its successors and assigns, or for any obligation of City under this Lease or otherwise.

27.20. Wages and Working Conditions. With respect to the construction of any Improvements or Alterations, any employee performing services for Lessee shall be paid not less than the highest prevailing rate of wages, shall be subject to the same hours and working conditions, and shall receive the same benefits as in each case are provided for similar work performed in the City and County of San Francisco. Lessee shall require any contractor to provide, and shall deliver to City every calendar month during any construction period, certified payroll reports with respect to all persons performing labor in the construction of any Improvements or Alterations on the Premises.

27.21. Prevailing Wages for Theatrical Workers. Individuals engaged in theatrical and technical services include, without limitation, those engaged in rigging, sound, projection, theatrical lighting, videos, computers, draping, carpentry, special effects, and motion picture services. Capitalized terms in this Section that are not defined in this Lease shall have the meanings provided in Administrative Code Sections 21.C-4 and 21.C-7.

Lessee agrees to comply with and be fully bound by, and to require its Subcontractors to comply with and be fully bound by, the provisions of Administrative Code Sections 21.C-4 and 21.C-7, including, without limitation, the payment of any penalties for noncompliance and other remedies available to the City. The provisions of Administrative Code Sections 21.C-4 and 21.C-7 are hereby incorporated by reference and made a part of this Lease. Lessee shall cooperate fully with the Labor Standards Enforcement Officer and any other City official or employee, or any of their respective agents, in the administration and enforcement of the requirements of Administrative Code Sections 21.C-4 and 21.C-7, including, without limitation, any investigation of noncompliance by Lessee or its Subcontractors. Lessee agrees that the City may inspect and/or audit any workplace or job site involved in or related to the performance of this Lease, including, without limitation, interviewing Lessee's and any Subcontractor's employees and having immediate access to employee time sheets, payroll records, and paychecks for inspection.

Lessee may obtain a copy of the current Prevailing Rate of Wages from City by contacting its Office of Labor Standards Enforcement. Lessee acknowledges that the City's Board of Supervisors may amend such Prevailing Rate of Wages and agrees that Lessee and any Subcontractors shall be bound by and shall fully comply with any such amendments by the Board of Supervisors.
27.22. **Intellectual Property; Music Broadcasting Rights.** Lessee shall be solely responsible for obtaining any necessary clearances or permissions for the use of intellectual property on the Premises, including, but not limited to musical or other performance rights. (Note to Lessee: To obtain the appropriate music performance license, you may contact the BMI Licensing Executive toll free at 1-877-264-2137 Monday – Friday, 9-5 p.m. (Central Time) and the American Society of Composers, Authors and Publishers (“ASCAP”) at 1-800-505-4052 Monday – Friday, 9-5 p.m. (Eastern Time).)

27.23. **Supervision of Minors.**

(a) **Records Request.** If any person applies for employment or for a volunteer position with Lessee, or any sublessee or subcontractor, in which such applicant would have supervisory or disciplinary power over a minor or any person under such applicant’s care, then Lessee, and any sublessee or subcontractors providing services at the Premises, shall request from the California Department of Justice records of all convictions or any arrest pending adjudication of such applicant involving the offenses listed in Welfare and Institution Code Section 15660(a), in accordance with the procedures established in California Penal Code Section 11105.3.

(b) **Restriction on Hires for Recreational Sites.** If Lessee, or any sublessee or subcontractor, is providing services under this Lease at a City park, playground, recreational center or beach (separately and collectively, “Recreational Site”), Lessee shall not hire, and shall prevent its subcontractors from hiring, any person for employment or a volunteer position to provide supervisory or disciplinary power over a minor or any person under his or her care if that person has been convicted of any offense listed in Welfare and Institution Code Section 15660(a).

(c) **Notice Required for Sites Other Than Recreational Sites.** If Lessee, or any of its sublessees or subcontractors, hires an employee or volunteer to provide services to minors at any location other than a Recreational Site, and that employee or volunteer has been convicted of an offense specified in Penal Code Section 11105.3(c), then Lessee shall comply, and cause its sublessees and subcontractors to comply, with Penal Code Section 11105.3(c) and provide written notice to the parents or guardians of any minor who will be supervised or disciplined by the employee or volunteer not less than ten (10) days prior to the day the employee or volunteer begins his or her duties or tasks. Lessee shall provide, or cause its sublessees or subcontractors to provide, City with a copy of any such notice at the same time that it provides notice to any parent or guardian, to the extent permitted by law.

(d) **General Requirements.** Lessee shall expressly require any of its subcontractors with supervisory or disciplinary power over a minor to comply with this Section of the Lease as a condition of its contract with the subcontractor. Lessee acknowledges and agrees that failure by Lessee or any of its subcontractors to comply with any provision of this Section of this Lease shall constitute an Event of Default. Lessee further acknowledges and agrees that such Event of Default shall be grounds for the City to terminate the Lease, partially or in its entirety, to recover from Lessee any amounts paid under this Lease, and to withhold any future payments to Lessee. The remedies provided in this Section shall not limited any other remedy available to the City hereunder, or in equity or law for an Event of Default, and each remedy may be exercised individually or in combination with any other available remedy. The exercise of any remedy shall not preclude or in any way be deemed to waive any other remedy.

27.24. **Employee Signature Authorization Ordinance.** City has enacted an ordinance at Chapter 23, Article VI of its Administrative Code, commencing at Section 23.50 (the
"Ordinance"), which may apply to employers of employees in hotel or restaurant projects on City property with more than fifty (50) employees. The terms of the Ordinance are expressly incorporated herein by reference. To the extent Lessee or its successors or assigns employs employees in a hotel or restaurant in the Premises within the scope of the Ordinance, Lessee hereby agrees as a material condition of this Lease to enter into and abide by a Card Check Agreement with a Labor Organization or Organizations seeking to represent Lessee's employees, if and as required by the Ordinance, and to otherwise fully comply with the requirements of the Ordinance. Lessee recognizes that, if the Ordinance applies to Lessee's operations on the Premises, Lessee must enter into a Card Check Agreement with a Labor Organization(s) as specified by the Ordinance before executing this Lease, and that being party to such a Card Check Agreement(s) is a condition precedent of rights or obligations under this Lease.

27.25. Non-Discrimination in City Contracts and Benefits Ordinance.

(a) Covenant Not to Discriminate. In the performance of this Lease, Lessee covenants and agrees not to discriminate on the basis of the fact or perception of a person’s race, color, creed, religion, national origin, ancestry, age, sex, sexual orientation, gender identity, domestic partner status, marital status, height, weight, disability or Acquired Immune Deficiency Syndrome or HIV status (AIDS/HIV status) against any employee of, any City employee working with, or applicant for employment with Lessee, in any of Lessee’s operations within the United States, or against any person seeking accommodations, advantages, facilities, privileges, services, or membership in all business, social, or other establishments or organizations operated by Lessee.

(b) Subleases and Other Subcontracts. Lessee shall include in all Subleases and other subcontracts relating to the Premises a non-discrimination clause applicable to such Sublessee or other subcontractor in substantially the form of subsection (a) above. In addition, Lessee shall incorporate by reference in all subleases and other subcontracts the provisions of Sections 12B.2(a), 12B.2(c)-(k), and 12C.3 of the San Francisco Administrative Code and shall require all sublessees and other subcontractors to comply with such provisions. Lessee’s failure to comply with the obligations in this subsection shall constitute a material breach of this Lease.

(c) Non-Discrimination in Benefits. Lessee does not as of the date of this Lease and will not during the Term, in any of its operations in San Francisco or where the work is being performed for the City or elsewhere within the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits or travel benefits, as well as any benefits other than the benefits specified above, between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local law authorizing such registration, subject to the conditions set forth in Section 12B.2(b) of the San Francisco Administrative Code.

(d) Condition to Lease. As a condition to this Lease, Lessee shall execute the “Chapter 12B Declaration: Nondiscrimination in Contracts and Benefits” form (Form HRC-12B-101) with supporting documentation and secure the approval of the form by the San Francisco Human Rights Commission.

(e) Incorporation of Administrative Code Provisions by Reference. The provisions of Chapters 12B and 12C of the San Francisco Administrative Code relating to non-discrimination by parties contracting for the lease of City property are incorporated in this
Section by reference and made a part of this Lease as though fully set forth herein. Lessee shall comply fully with and be bound by all of the provisions that apply to this Lease under such Chapters of the Administrative Code, including but not limited to the remedies provided in such Chapters. Without limiting the foregoing, Lessee understands that pursuant to Section 12B.2(h) of the San Francisco Administrative Code, a penalty of $50 for each person for each calendar day during which such person was discriminated against in violation of the provisions of this Lease may be assessed against Lessee and/or deducted from any payments due Lessee.

27.26. No Relocation Assistance; Waiver of Claims. Lessee acknowledges that it will not be a displaced person at the time this Lease is terminated or expires by its own terms, and Lessee fully RELEASES, WAIVES AND DISCHARGES forever any and all claims, demands, rights, and causes of action (including, without limitation, consequential and incidental damages) against, and covenants not to sue, City, its departments, commissions, officers, directors and employees, and all persons acting by, through or under each of them, under any Laws, including, without limitation, any and all claims for relocation benefits or assistance from City under federal and state relocation assistance laws (including, but not limited to, California Government Code Section 7260 et seq.), except as otherwise specifically provided in this Lease with respect to a Taking.

27.27. MacBride Principles - Northern Ireland. The City and County of San Francisco urges companies doing business in Northern Ireland to move toward resolving employment inequities and encourages them to abide by the MacBride Principles as expressed in San Francisco Administrative Code Section 12F.1, et seq. The City and County of San Francisco also urges San Francisco companies to do business with corporations that abide by the MacBride Principles. Lessee acknowledges that it has read and understands the above statement of the City and County of San Francisco concerning doing business in Northern Ireland.

27.28. Conflicts of Interest. Through its execution of this Lease, Lessee acknowledges that it is familiar with the provisions of Section 15.103 of the San Francisco Charter, Article III, Chapter 2 of City's Campaign and Governmental Conduct Code, and Section 87100 et seq. and Section 1090 et seq. of the Government Code of the State of California, and certifies that it does not know of any facts which would constitute a violation of such provisions, and agrees that if Lessee becomes aware of any such fact during the term of this Lease Lessee shall immediately notify City.

27.29. Tropical Hardwood and Virgin Redwood Ban. Lessee shall not permit the use of any tropical hardwood, tropical hardwood wood product, virgin redwood or virgin redwood wood product in or on the Premises or otherwise in the performance of this Lease. The City and County of San Francisco urges companies not to import, purchase, obtain or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood or virgin redwood wood product. In the event Lessee fails to comply in good faith with any of the provisions of Chapter 8 of the San Francisco Environment Code, Lessee shall be liable for liquidated damages for each violation in any amount equal to Lessee’s net profit on the contract, or five percent (5%) of the total amount of the contract dollars, whichever is greater.

27.30. Tobacco Product Advertising and Sale Prohibition. Lessee acknowledges and agrees that no advertising or sale of cigarettes or tobacco products is allowed under this Lease. This advertising prohibition includes the placement of the name of a company producing, selling, or distributing cigarettes or tobacco products or the name of any cigarette or tobacco product in any promotion of any event or product. This advertising prohibition does not apply to any advertisement sponsored by a state, local or nonprofit entity designed to (i) communicate the
health hazards of cigarettes and tobacco products, or (ii) encourage people not to smoke or to stop smoking.

27.31. **Prohibition of Alcoholic Beverage Advertising.** Lessee acknowledges and agrees that no advertising of alcoholic beverages is allowed on the Premises. For purposes of this section, "alcoholic beverage" shall be defined as set forth in California Business and Professions Code Section 23004, and shall not include cleaning solutions, medical supplies and other products and substances not intended for drinking. This advertising prohibition includes the placement of the name of a company producing, selling or distributing alcoholic beverages or the name of any alcoholic beverage in any promotion of any event or product. This advertising prohibition does not apply to any advertisement sponsored by a state, local, nonprofit or other entity designed to (i) communicate the health hazards of alcoholic beverages, (ii) encourage people not to drink alcohol or to stop drinking alcohol, or (iii) provide or publicize drug or alcohol treatment or rehabilitation services.

27.32. **First Source Hiring Ordinance.** The provisions of San Francisco Administrative Code Chapter 83, the First Source Hiring Program, are incorporated in this Section by reference, and are made a material part of this Lease as though fully set forth herein. As an essential term of, and consideration for, this Lease, unless exempted by the City's Office of Economic and Workforce Development, Lessee shall enter into a First Source Hiring Agreement with the City, on or before the effective date of the Lease. Lessee shall keep, and provide to the City, accurate records demonstrating its compliance with the First Source Hiring Program. Violation of the requirements of Chapter 83 is subject to an assessment of liquidated damages. The assessment of liquidated damages and the evaluation of any defenses or mitigating factors shall be made by the Office of Economic and Workforce Development.

27.33. **Sunshine Ordinance.** In accordance with Section 67.24(e) of the San Francisco Administrative Code, contracts, contractors' bids, leases, agreements, responses to Requests for Proposals, and all other records of communications between City and persons or firms seeking contracts will be open to inspection immediately after a contract has been awarded. Nothing in this provision requires the disclosure of a private person's or organization's net worth or other proprietary financial data submitted for qualification for a contract, lease, agreement or other benefit until and unless that person or organization is awarded the contract, lease, agreement or benefit. Information provided which is covered by this Section will be made available to the public upon request.

27.34. **Counterparts.** This Lease may be executed in two (2) or more counterparts, each of which shall be deemed an original, but all of which taken together shall constitute one and the same instrument.

27.35. **Vending Machine/Non-alcoholic Beverage Contract.** Lessee hereby agrees to abide by any and all provisions of any contract entered into by City for the purpose of the sales of non-alcoholic beverages at City-owned facilities.

27.36. **No Light, Air or View Easement.** Any diminution or shutting off of light, air or view by any structure which may be erected on lands adjacent to the Premises shall in no way affect this Lease or impose any liability on City as landlord under this Lease.

27.37. **City's Inability to Perform.** If City is unable to perform or is delayed in performing any of City's obligations under this Lease, by reason of acts of God, accidents, breakage, repairs, strikes, lockouts, other labor disputes, protests, riots, demonstrations, inability
to obtain utilities or materials or by any other reason beyond City's reasonable control, no such inability or delay shall constitute an eviction under this Lease, or impose any liability upon City or its Agents by reason of inconvenience, annoyance, interruption, injury or loss to or interference with Lessee's business or use and occupancy or quiet enjoyment of the Premises or any loss or damage occasioned thereby.

27.38. Notification of Limitations on Contributions. Through its execution of this Lease, Lessee acknowledges that it is familiar with Section 1.126 of the San Francisco Campaign and Governmental Conduct Code, which prohibits any person who contracts with the City for the selling or leasing of any land or building to or from the City whenever such transaction would require approval by a City elective officer, the board on which that City elective officer serves, or a board on which an appointee of that individual serves, from making any campaign contribution to (a) the City elective officer, (b) a candidate for the office held by such individual, or (c) a committee controlled by such individual or candidate, at any time from the commencement of negotiations for the contract until the later of either the termination of negotiations for such contract or six months after the date the contract is approved. Lessee acknowledges that the foregoing restriction applies only if the contract or a combination or series of contracts approved by the same individual or board in a fiscal year have a total anticipated or actual value of $50,000 or more. Lessee further acknowledges that the prohibition on contributions applies to each prospective party to the contract; each member of Lessee's board of directors, and Lessee’s chief executive officer, chief financial officer and chief operating officer; any person with an ownership interest of more than twenty percent (20%) in Lessee; any subcontractor listed in the contract; and any committee that is sponsored or controlled by Lessee. Additionally, Lessee acknowledges that Lessee must inform each of the persons described in the preceding sentence of the prohibitions contained in Section 1.126. Lessee further agrees to provide to City the name of the each person, entity or committee described above.

27.39. Public Transit Information. Lessee shall establish and carry on during the Term a program to encourage maximum use of public transportation by personnel of Lessee employed on the Premises, including, without limitation, the distribution to such employees of written materials explaining the convenience and availability of public transportation facilities adjacent or proximate to the Premises and encouraging use of such facilities, all at Lessee’s sole expense.

27.40. Drug-Free Workplace. Lessee acknowledges that pursuant to the Federal Drug-Free Workplace Act of 1989, the unlawful manufacture, distribution, possession or use of a controlled substance is prohibited on City premises. Lessee agrees that any violation of this prohibition by Lessee, its Agents or assigns shall be deemed a material breach of this Lease.

27.41. Preservative-Treated Wood Containing Arsenic. As of July 1, 2003, Lessee may not purchase preservative-treated wood products containing arsenic in the performance of this Lease unless an exemption from the requirements of Environment Code Chapter 13 is obtained from the Department of Environment under Section 1304 of the Environment Code. The term "preservative-treated wood containing arsenic" shall mean wood treated with a preservative that contains arsenic, elemental arsenic, or an arsenic copper combination, including, but not limited to, chromated copper arsenate preservative, ammoniac copper arsenate preservative, or ammoniacal copper arsenate preservative. Lessee may purchase preservative-treated wood products on the list of environmentally preferable alternatives prepared and adopted by the Department of Environment. This provision does not preclude Lessee from purchasing preservative-treated wood containing arsenic for saltwater immersion.
The term "saltwater immersion" shall mean a pressure-treated wood that is used for construction purposes or facilities that are partially or totally immersed in saltwater.

27.42. **Resource Efficiency.** Lessee acknowledges that the City and County of San Francisco has enacted San Francisco Environment Code Sections 700 to 707 relating to resource-efficient buildings and resource-efficient pilot projects. Lessee hereby agrees that it shall comply with all applicable provisions of such code sections.

27.43. **Food Service Waste Reduction Requirements.** Lessee agrees to comply fully with and be bound by all of the provisions of the Food Service Waste Reduction Ordinance, as set forth in San Francisco Environment Code Chapter 16, including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 16 are incorporated herein by reference and made a part of this Lease as though fully set forth. This provision is a material term of this Lease. By entering into this Lease, Lessee agrees that if it breaches this provision, City will suffer actual damages that will be impractical or extremely difficult to determine; further, without limiting City’s other rights and remedies, Lessee agrees that the sum of $100 liquidated damages for the first breach, $200 liquidated damages for the second breach in the same year, and $500 liquidated damages for subsequent breaches in the same year is reasonable estimate of the damage that City will incur based on the violation, established in light of the circumstances existing at the time this Lease was made. Such amount shall not be considered a penalty, but rather agreed monetary damages sustained by City because of Lessee's failure to comply with this provision.

27.44. **No Smoking in City Parks.** Lessee agrees to comply with Section 1009.81 of the San Francisco Health Code, which provides: "Smoking is prohibited on any unenclosed area of property in the City and County of San Francisco that is open to the public and under the jurisdiction of the Recreation and Park Commission or any other City department if the property is a park, square, garden, sport or playing field, pier, or other property used for recreational purposes, or a farmers' market."

27.45. **Prohibition of the Sale of Lottery Tickets.** The selling of any lottery tickets on the Premises is expressly prohibited.

27.46. **San Francisco Bottled Water Ordinance.** Lessee agrees to comply with all applicable provisions of San Francisco Environment Code Chapter 24 prohibiting the sale or distribution of drinking water in a sealed rigid plastic bottle having a capacity of twenty-one (21) fluid ounces or less at events held on City property with attendance of more than 100 people. A violation of this provision is a material default under this Lease and is subject to administrative fines as prescribed by San Francisco Environment Code Chapter 24. All terms in this Section are defined in San Francisco Environment Code Chapter 24.

27.47. **Criminal History in Hiring and Employment Decisions**

(a) Unless exempt, and subject to the provisions of Section 26.23 above, Lessee agrees to comply with and be bound by all of the provisions of San Francisco Administrative Code Chapter 12T (Criminal History in Hiring and Employment Decisions; “Chapter 12 T”), which are hereby incorporated as may be amended from time to time, with respect to applicants and employees of Lessee who would be or are performing work at the Premises.

(b) Lessee shall incorporate by reference the provisions of Chapter 12T in all subleases of some or all of the Premises, and shall require all subtenants to comply with such
provisions. Lessee’s failure to comply with the obligations in this subsection shall constitute a material breach of this Lease.

(c) Lessee and subtenants shall not inquire about, require disclosure of, or if such information is received base an Adverse Action on an applicant’s or potential applicant for employment, or employee’s: (1) Arrest not leading to a Conviction, unless the Arrest is undergoing an active pending criminal investigation or trial that has not yet been resolved; (2) participation in or completion of a diversion or a deferral of judgment program; (3) a Conviction that has been judicially dismissed, expunged, voided, invalidated, or otherwise rendered inoperative; (4) a Conviction or any other adjudication in the juvenile justice system; (5) a Conviction that is more than seven years old, from the date of sentencing; or (6) information pertaining to an offense other than a felony or misdemeanor, such as an infraction.

(d) Lessee and subtenants shall not inquire about or require applicants, potential applicants for employment, or employees to disclose on any employment application the facts or details of any conviction history, unresolved arrest, or any matter identified in subsection (c) above. Lessee and subtenants shall not require such disclosure or make such inquiry until either after the first live interview with the person, or after a conditional offer of employment.

(e) Lessee and subtenants shall state in all solicitations or advertisements for employees that are reasonably likely to reach persons who are reasonably likely to seek employment with Lessee or subtenant at the Premises, that the Lessee or subtenant will consider for employment qualified applicants with criminal histories in a manner consistent with the requirements of Chapter 12T.

(f) Lessee and subtenants shall post the notice prepared by the Office of Labor Standards Enforcement (“OLSE”), available on OLSE’s website, in a conspicuous place at the Premises and at other workplaces within San Francisco where interviews for job opportunities at the Premises occur. The notice shall be posted in English, Spanish, Chinese, and any language spoken by at least 5% of the employees at the Premises or other workplace at which it is posted.

(g) Lessee and subtenants understand and agree that upon any failure to comply with the requirements of Chapter 12T, the City shall have the right to pursue any rights or remedies available under Chapter 12T or this Lease, including but not limited to a penalty of $50 for a second violation and $100 for a subsequent violation for each employee, applicant or other person as to whom a violation occurred or continued, termination or suspension in whole or in part of this Lease.

(h) If Lessee has any questions about the applicability of Chapter 12T, it may contact the City’s Real Estate Division for additional information. City’s Real Estate Division may consult with the Director of the City’s Office of Contract Administration who may also grant a waiver, as set forth in Section 12T.8.

27.48. Graffiti Removal. Graffiti is detrimental to the health, safety and welfare of the community in that it promotes a perception in the community that the laws protecting public and private property can be disregarded with impunity. This perception fosters a sense of disrespect of the law that results in an increase in crime; degrades the community and leads to urban blight; is detrimental to property values, business opportunities and the enjoyment of life; is inconsistent with the City’s property maintenance goals and aesthetic standards; and results in additional graffiti and in other properties becoming the target of graffiti unless it is quickly removed from
public and private property. Graffiti results in visual pollution and is a public nuisance. Graffiti must be abated as quickly as possible to avoid detrimental impacts on the City and County and its residents, and to prevent the further spread of graffiti. Lessee shall remove all graffiti from the Property within forty eight (48) hours of the earlier of Lessee’s (a) discovery or notification of the graffiti or (b) receipt of notification of the graffiti from the Department of Public Works. The term “graffiti” means any inscription, word, figure, marking or design that is affixed, marked, etched, scratched, drawn or painted on any building, structure, fixture or other improvement, whether permanent or temporary, including by way of example only and without limitation, signs, banners, billboards and fencing surrounding construction sites, whether public or private, without the consent of the owner of the property or the owner’s authorized agent, and which is visible from the public right-of-way. “Graffiti” shall not include: (1) any sign or banner that is authorized by, and in compliance with, the applicable requirements of the San Francisco Public Works Code, the San Francisco Planning Code or the San Francisco Building Code; or (2) any mural or other painting or marking on the property that is protected as a work of fine art under the California Art Preservation Act (California Civil Code Sections 987 et seq.) or as a work of visual art under the Federal Visual Artists Rights Act of 1990 (17 U.S.C. Sections 101 et seq.). Any failure of Lessee to comply with this Section of this Lease shall constitute an Event of Default of this Lease.

27.49. Cooperative Drafting. This Lease has been drafted through a cooperative effort of both parties, and both parties have had an opportunity to have the Lease reviewed and revised by legal counsel. No party shall be considered the drafter of this Lease, and no presumption or rule that an ambiguity shall be construed against the party drafting the clause shall apply to the interpretation or enforcement of this Lease.

28. QUALITY OF SERVICES AND PRODUCTS OFFERED.

Lessee hereby agrees that any food and refreshments offered for sale hereunder shall be of good quality and that the service shall be prompt, clean, courteous, and efficient. Department shall have the right to raise reasonable objections to the quality of the food, beverages, and service(s) provided and Lessee shall have the obligation to address those objections by modifying the causes of those objections until corrected to the satisfaction of the Department.

29. PARTICIPATION IN CITY CUSTOMER SATISFACTION PROGRAM.

Lessee hereby agrees to participate in any customer satisfaction program developed by the City, provided that the participation requirements of the Customer Satisfaction Program shall be reasonable.

30. SIGNS AND ADVERTISING.

Lessee hereby agrees not to erect or maintain, nor permit to be erected or maintained, upon any part of the Premises, any signs without obtaining City's written consent in advance.

31. SUSTAINABLE FOODS.

Sustainable foods are those which, through their production, purchase, and consumption, enhance the health of the environment, producers and consumers through one or more of these methods: growing, processing and distributing locally; using low or no synthetic agricultural chemicals; fairly trading with developing countries; meeting animal welfare standards; processing minimally; no genetic modification; no unnecessary antibiotics; and no added growth hormones.
Lessee shall use commercially reasonable efforts to incorporate sustainable food concepts into everyday operations of the business on the Premises. City encourages Lessee to source sustainable foods by buying certified and/or locally produced food products. Acceptable sustainability certifications are limited to organic certification under the National Organic Standards Act ("USDA Organic), Fair Trade certification, Protected Harvest certification, Food Alliance certification, Rainforest Alliance certification, Certified Humanely Raised and Handled certification, American Humane certification, Marine Stewardship Council certification, and Salmon-Safe certification. Sustainability-related product claims that are acceptable under this clause include “grass-fed” claims, “not treated with artificial growth hormones (RBGH)” claims,” produced without the nontherapeutic use of antibiotics” claims, and “raised without added hormones/no hormones added” claims.

Locally produced food products are produced within 200 miles of San Francisco including the following counties in the North Coast, Central Coast, Sacramento and San Joaquin Valleys: Alameda, Amador, Butte, Calaveras, Colusa, Contra Costa, El Dorado, Fresno, Glenn, Kern, Kings, Lake, Madera, Marin, Mariposa, Mendocino, Merced, Monterey, Napa, Nevada, Placer, Plumas, Sacramento, San Benito, San Francisco, San Joaquin, San Mateo, Santa Clara, Santa Cruz, Sierra, Solano, Sonoma, Stanislaus, Sutter, Tehama, Tulare, Tuolumne, Yolo, and Yuba counties.

Lessee shall also provide an annual report on each anniversary date of this Lease outlining how Lessee incorporated these sustainable food concepts into everyday operations of the food and beverage concession and how Lessee informed customers and the youth employed by the Lessee, if any, regarding sustainable foods. This report shall include the percentage of total sales that were products certified as sustainably produced.
