1 Population data based on 2010 Census.

2 The acreage of parks and all other calculations exclude the following parks: Sharp Park, Camp Mather, SF Zoo, Marina Yacht Harbor, and Candlestick; newly acquired/in development parks at 17th& Folsom, Noe Valley Town Square, 900 Innes, Geneva Car Barn, and Francisco Reservoir; and park sites that have schools and libraries. The acreage of parks serving the Equity Zone also excludes any acreage in Golden Gate Park. In sum, these exclusions are intended to most accurately reflect relative park access by counting "park acres per 1,000 people" both in disadvantaged communities and

3 Park Scores from FY15 used here; to be updated with FY16 as soon as available.

4 Maintenance and repair workorders in TMA FY16.

5 Capital investment is three-year average AAO Capital Budgets FY15, FY16, FY17 calculated using site-specific allocations.

6 Volunteer Database is currently being upgraded; FY16 data to be available by Sept 2016.

7 Includes hours of structured programs provided by RPD staff and recreation partners that are offered at pools, recreation centers, clubhouses, playfields, and mobile programs.

8 Data reflects all scholarships active in FY16.
