Fall 2014 Open Gardens Day
September 13th ~ 10 am to 2 pm

Please Join Us for the First Annual Open Gardens Day with the SF Recreation and Park Department!

On September 13th, 21 community gardens will be open to the public for enjoyment and education. See the back of this page for a list and schedule of open hours and special events.

Our 38 gardens are volunteer-run (over 1,600 participants and counting!) under the umbrella of Rec and Park’s Community Gardens Program, which is a component of the new citywide Urban Agriculture Program.

The Urban Ag Resource Center at the GGP CommUNITY Garden will be open for free compost, soil and mulch pick-up from 9 am to 12 pm. The GGP CommUNITY Garden is the largest garden in our system (with over 160 gardeners) and features a native plant nursery, demonstration gardens, and the City’s first urban agriculture resource center.

Join a bicycle tour of the gardens with the SF Urban Agriculture Alliance (www.sfuaa.org) or create your own biking/walking/transit or driving tour. Visit one or all of our open gardens.

To get on a waitlist for one of our community gardens and/or to find out about communally managed gardens that welcome volunteers to start gardening right away, visit http://tiny.cc/SFRPDCommunityGardens.
