There are no changes to the required documentation to verify residency at TPC Harding Park Golf Shop. OPTION 2: ANNEX BUILDING AT McLAREN LODGE – As of May 1, 2016, for residents who are unable to visit TPC Harding Park, registration and renewal services will be available at the Annex Building at McLaren Lodge, 501 Stanyan Street. Renewals will be available at

the Annex Building on **Tuesdays and Thursdays from 2pm - 5pm**. COST: \$90 (Check or exact cash only. No credit).

OPTION 3: ONLINE RENEWALS – The online renewal system has been delayed for technical reasons. We will update this website when the online system becomes available.

IMPORTANT DOCUMENTATION:

To qualify as a San Francisco or Pacifica resident, applicants must provide the following documents:

1. Government-issued Photo ID: For example valid, California State Driver's License ("CDL"), California State Identification Card ("CID"), or other government-issued photo ID – AND;

2. One other piece of Residency Information evidencing proof of residency no older than 90 days. Examples include:

- Utility Bill
- Property Tax Statement
- Bank Account Statement
- Other type of recurring commercial bill received within the past 90 days

NOTE: Qualifying documents must list the same address on both documents. If you are supplying a Government-issued Photo ID with an address other than where you currently live in San Francisco or Pacifica – or if you are supplying a government-issued Photo ID that does list an address – you must submit two (2) pieces of Residency Information as described in item #2 above. In this scenario, please present a Government-issued Photo ID and two (2) pieces of residency information as described in item #2 above. This scenario is most often applicable to San Francisco Property Owner applicants, who may live outside of San Francisco yet still qualify for a Resident Golf Card.
