The screenshot shows a website interface for activity search. At the top, there is a navigation bar with 'Logo Sign', 'Welcome, Joe', 'My Account', 'My Wish List', and 'Sign Out'. Below this is a secondary navigation bar with 'Home', 'Activities', 'Reservations', 'Memberships & Passes', and a 'My Cart' button. The main heading is 'Activity Search', with a breadcrumb trail '> Home Page > Activity Search'. A paragraph follows: 'Click [here](#) to view the **Fall Catalog**. *Please Note:* Some class times, locations, and prices have been changed since the catalog went to print. The correct activity information is the information on this website.' Below this are two informational sections: 'REGISTRATION NOTES: For popular classes (e.g., children's swimming), many users are competing for the same spot. Upon check out, the last user vying for the spot will get an error message. In this instance, the registrant will be immediately placed on a wait list.' and 'WISH LIST HOW TO: Once you add a class to your Wish List, you will be able to register anyone on your account to that class.'

The main content area features a search bar with the number '5871' and a search icon. Below the search bar are several filter sections: 'Filter Search By:' with a dropdown set to 'All'; 'Days of the Week:' with checkboxes for Su, Mo, Tu, We, Th, Fr, Sa; 'Starting Date:' with 'From' and 'To' date pickers; 'Starting Time:' with 'From' and 'To' time pickers; 'Activity Category:' set to 'All'; 'Age Category:' set to 'All'; 'Instructor:' set to 'All'; and 'Age Range:'. A table of results is partially visible, showing a row for 'Ceramics - Sharon Art Studio - Adult' with a 'Quick View' link. A modal dialog box titled 'Added to Wish List' is overlaid on the search results, containing the message 'Ceramics - Sharon Art Studio - Adult is added to your Wish List.' and two buttons: 'OK' and 'View Wish List'. A red arrow points from the 'OK' button back to the search results table. At the bottom of the page, there is a pagination control showing 'Page 1 of 1 < Prev. 1 Next >' and a '20 results per page' dropdown.
