3. San Francisco Zoo Administrative Report (Discussion)

Tanya Peterson, Executive Director and President, SFZS
Director Peterson reported attendance for the month of September was 59,578 visitors versus budget of 64,800. Visitor attendance for October 1 through October 21 is 39,250 versus budget of 35,700. Year-to-date attendance is 304,863 versus budget of 298,500.

In terms of animal updates, Peterson reported that the newest addition to the Bernard Osher Giraffe Lodge recently made her debut. The five year old female reticulated giraffe, named Barboro, was introduced to the rest of the giraffe herd earlier this month. The Zoo's herd now totals six giraffes: five females and one male, ranging in age from 5 months to 11 years.

Each year the Zoo celebrates hardworking and dedicate adult volunteers at the annual Adult Volunteer Appreciation Party. Peterson reported the theme this year was celebrating the Zoo's local conservation efforts, as well as native wildlife, habitats, flora and fauna. Service awards were given out including this year's "Good Egg" Award, which is the highest honor given to one volunteer. This year, it was awarded to Marianne Hale. Marianne is the Zoo's volunteer photographer and many of her photos are used on the Zoo's website, marketing materials, in the media and a magazine cover.

In terms of events, Peterson reported that the first of this year's two weekend Boo At The Zoo events was a success despite road closures due to the Nike Woman's Marathon last Sunday. Peterson thanked Grocery Outlet Bargain Market, which is the event sponsor. Peterson then reported that the newly renovated Elinor Friend Family Playground is scheduled to open Thanksgiving week. Regarding membership, Peterson reported that October is "Members' Month, with members obtaining early access on Sunday mornings plus free carousel rides and coffee.

Lastly, Peterson reported with great pride the signing of a Memorandum of Understanding (MOU) entered into between the San Francisco Zoo and Shanghai Zoological Park. The Shanghai Zoo is the largest zoo in China and widely recognized as China's best zoo. The signing took place during her trip to Shanghai. As outlined in the MOU, each zoo aspires to incent a "concerned,

aware, energized, caring and sympathetic” citizenry and to encourage “gentleness toward animals and compassion for the well-being of wild places.”

Committee Advisor Stephens asked if the care of the baby gorilla has been taken over by a member of the troop. Peterson responded that Bwang, the grandmother of both Hasani and the newborn, has started to take over care. Member of Public Ennis asked if SFZ is considering getting a panda. Peterson stated that this is currently not under consideration.
