

PROSAC RESOLUTION OPPOSING RPD'S LEASE WITH NASL TO HOST 15-20 GAMES AT KEZAR STADIUM

The Park, Recreation, and Open Space Advisory Committee (PROSAC), does not support the Recreation and Park Department's (RPD's) lease with NASL to host 15-20 games at Kezar Stadium. We also do not support the sale of any alcohol on the property at the sporting events. PROSAC also is strongly against adding more lighting to the stadium, as it will change the night lighting of a quiet, residential neighborhood. Kezar's main use should be for community and high school sporting events.
