

Construction Notice

The **asphalt path** around the Palace of Fine Arts will undergo maintenance from 9/20-9/22 and 9/25-9/29. A sealcoat will be applied to the asphalt to maintain the longevity of the path. This coating requires at least 24 hours to cure. Please obey all signage and respect taped off areas by not stepping on the coating as it will interfere with the curing process, and will damage your shoes.

We apologize for any inconvenience this may cause. For more information the project manager is Felix Tong (felix.tong@sfgov.org or 415-831-6844)
