

## Matrix for Assessing Permitted Events in Light of SFPDPH COVID-19 (Coronavirus) Guidelines (through March 22, 2020)

 Activity Location	 Expected Attendance	 Primarily Serving Vulnerable Population?*	 Recommendations
<b>Outdoors</b>			
	Less than 10  Less than 50	Yes  No	Event may occur but attendance by vulnerable populations should be discouraged and event must follow DPH recommended practices to discourage/contain transmission.  **Permittee may cancel in advance for fee credit
	More than 10	Yes	If more than 10 people are expected and event <b>does</b> primarily serve a vulnerable population, department shall <b>strongly recommend cancellation of event</b> . If permittee declines to cancel, it must certify in writing that it will meet following standards: <ul style="list-style-type: none"> <li>• Discourage attendance by vulnerable community</li> <li>• Prohibit attendance if sick</li> <li>• Having hand washing capabilities, hand sanitizers and tissues available.</li> <li>• Confirm frequent cleaning of high touch surfaces; no self-service buffets</li> <li>• Find ways to create physical space to minimize close contact as much as possible</li> </ul> **Permittee may cancel in advance for fee credit
	More than 50	No	If more than 50 and event <b>does not</b> primarily serve vulnerable population, event allowed but permittee should: <ul style="list-style-type: none"> <li>• Discourage attendance by vulnerable community</li> <li>• Prohibit attendance if sick</li> <li>• Having hand washing capabilities, hand sanitizers and tissues available.</li> <li>• Confirm frequent cleaning of high touch surfaces; no self-service buffets</li> <li>• Find ways to create physical space to minimize close contact as much as possible</li> </ul> **Permittee may cancel in advance for fee credit

\***Vulnerable Populations**, as defined by SFPDPH, include people who are: 1) 60 years old and older; 2) People with certain health conditions such as heart disease, lung disease, diabetes, kidney disease and weakened immune systems; and 3) People who are pregnant or pregnant in the last two weeks. DPH recommends these populations not attend gatherings of 10 or more.
