

# Attention!

## Construction Advisory

October 26 - mid November

### Margaret Hayward Tennis Courts Resurfacing

The Tennis Courts will be CLOSED for resurfacing over three weeks. The work includes preparing surface for the new finish and painted boundary lines

Please visit one of the nearby tennis courts during this work:

- Alamo Square Tennis Courts (Grove Street & Steiner Street)
- Hamilton Tennis Courts (Post Street & Pierce Street)

---

The tennis courts resurfacing will complete the Margaret S. Hayward Playground Renovation. Over the last two years, tennis courts received an entirely new southern edge: a new foundation, new drainage and new fencing, new gate and accessible path to the rest of the park, new drinking fountain (within the park) and all new windscreens. The lights that were disabled for crew safety during demolition, are reconnected and will resume with electrical inspection approval in mid-November.

Thank you for your patience and continued support throughout construction.

---
