Staff & Project Partners

Rec & Park, Trust for Public Land, SF Parks Alliance,
A Philip Randolph Institute, GGN (lead designers)

GGN

Jensen Architects • Sherwood Design Engineers • Rana Creek • Moffatt & Nichol
Jon Brody Structural Engineers • Interface Engineering • Niteo Lighting • Boudreau Associates
AnchorQEA • MCK • Marz Okubo • ZBeta • AGS Inc. • Page & Turnbull

Community members

Bayview-Hunters Point residents, organizations,
parents & children, let us know you're here!

How your feedback impacts the project

- Provide direction to design consultants
- Ensure playground design is reflective of your needs and desires
- Provide material for fundraising

Context: 900 Innes & Shoreline Park

CONSTRUCTION TIMELINE

- 2021 Remediation of 900 Innes begins
- 2022 Construction of 900 Innes begins
- 2023/24 Construction of Shoreline Park begins

Context: 900 Innes & Shoreline Park

Preschool Playground 2-5 Year

Adventure Playground 5-12 Year

What we've heard so far

- **Sliding** (68%), **climbing** (63%) and **swinging** (53%) are the most popular playground activities
- Families want an **open & airy** (73%) play environment with **natural surfaces** (67%)
- **Views of the bay, easy parking, soft play surfaces** and **safe, open areas to run** are a few highlights of the current play space

Design options overview

OPTION A: Discovery grove

OPTION B: Shaded overlook

OPTION A: Discovery Grove

CIRCULATION

OPTION A: Discovery Grove

Pyramid Tower
