Winding Path

2 SAFETY

Protection from wind?

Can kids climb madrone trees?

Wind comes from NW

Parking Lot distance - Parents sometime park and

3 BEAUTIFICATION

Nautical Theme

Mix of boulders and logs

Shade is important, no way right now to get away from sun. Aug-Oct it was HOT

Swings are great and we should have them but shade is important

Madrone Trees are great

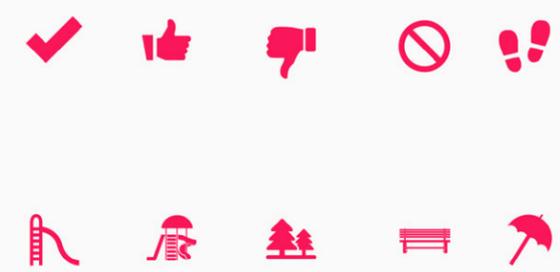

What type of surfacing? Kids make wood chips messy

4 PLAY ELEMENTS

Marine theme = History of shoreline

Is it possible to shaded tables to option A?

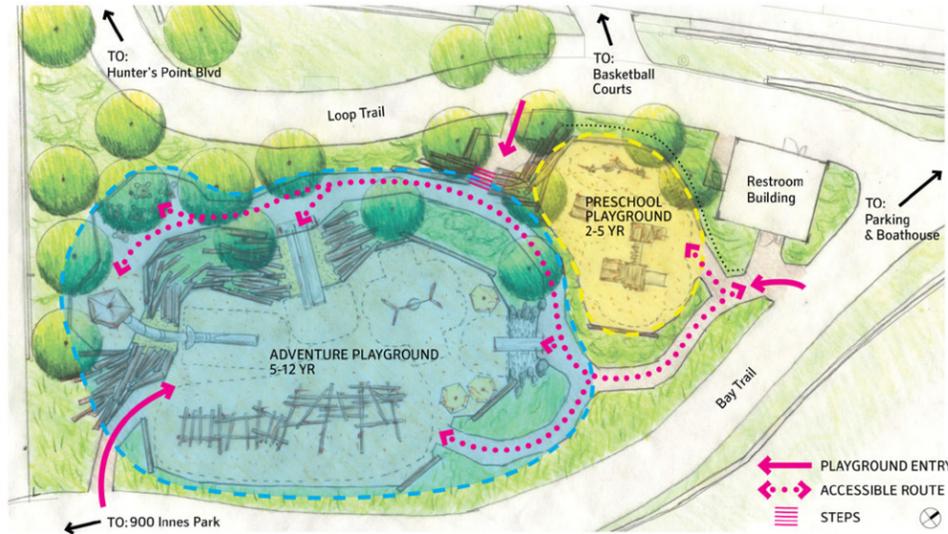

Two rows of pink rectangular boxes for notes or comments.

2 SAFETY

Park hours/
Park Control/
access and
lighting is
significant

Community
ambassadors
similar to staff
surrounding city
hall add to
safety

Supervision
& lines of
sight are
important

Fencing - 1ft
is not high
enough. 3.5
feels
sufficient

Sun is
intense in
Sept-Oct

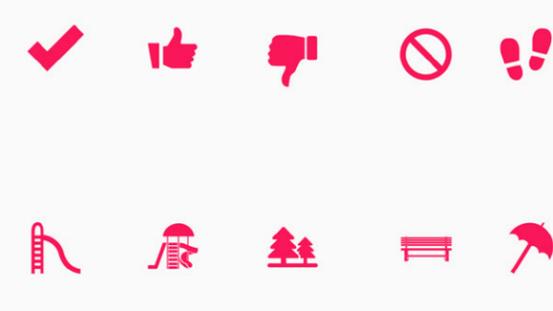

Gate would be
helpful to deter
non playground
users from
"wandering in"

3 BEAUTIFICATION

Shade either
through trees
or structures
are important

Parents should
have a sitting
area in all the
play ground to
see all the
children
