

George Christopher Playground

Recreation & Park Commission

Approval of Concept Design

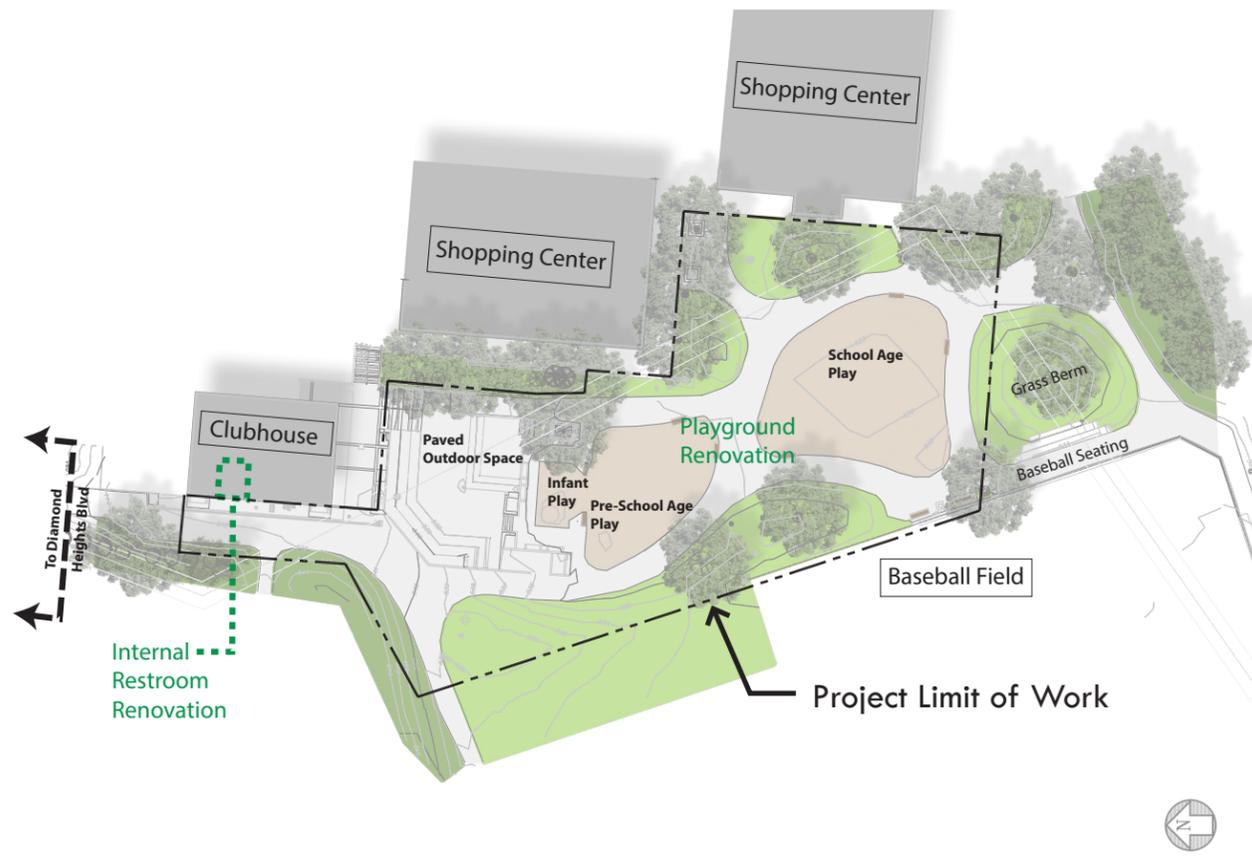

June 7, 2017

Project Location

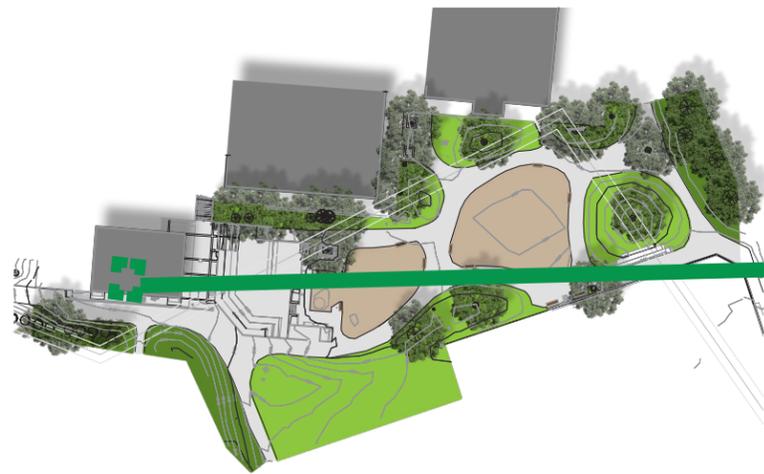

Proposed Project Scope

- Provide site accessibility: ADA path from existing clubhouse to playground.
- Replace play structures & surfacing.
- Replace and renovate site furnishings, i.e. benches, picnic tables, signs.
- Update landscaping.
- Renovate (1) clubhouse restroom interior for accessibility compliance.

Photo

Interior of existing unisex restroom to be fully renovated for accessibility compliance with new fixtures and finishes. Fixtures will be sized per “adult” standards. Exterior door will be locked from inside by user.

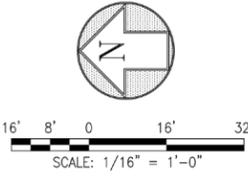

The Noe Valley Nursery School restroom will have interior entry only from the clubhouse. No additional upgrade work planned for this restroom at this time.
