

The Federal Emergency Management Agency (FEMA) has received a subgrant application for **San Francisco County**. Pursuant to Executive Order 11988 and 44 CFR Part 9.12, final notice is hereby given of FEMA's intent to provide funding for this project under the Public Assistance Grant Program (PA).

Under the National Environmental Policy Act (NEPA), federal actions must be reviewed and evaluated for feasible alternatives and for social, economic, historic, environmental, legal, and safety considerations. - Executive Order (EO) 11988 and EO 11990 requires FEMA to consider alternatives - and provide a public notice of any proposed actions in or affecting floodplains or wetlands. EO 12898 requires FEMA to provide the opportunity for public participation in the planning process and to consider potential impacts to minority and low-income populations. This notice may also fulfill requirements under Section 106 of the National Historic Preservation Act (NHPA).

Executive Orders 13985 and 14008 further address the need to achieve environmental justice and equity across the federal government. The issuance of the new executive orders more than 20 years after Executive Order 12898 was signed indicates the administration's directive to federal agencies to renew their energy, effort, resources and attention to environmental justice. FEMA is working with applicants/sub-applicants to identify communities with Environmental Justice concerns and provide an avenue for local groups and non-profits with an Environmental Justice mission to self-identify so that FEMA Programs can start to work with them on specific projects from the beginning of the application process.

This notice serves as a project- specific final notice for FEMA's funding action located within a Special Flood Hazard Area. FEMA has determined the only practicable alternative is to fund the repairs of the road located within the Special Flood Hazard Area prior to the event. Funding for the proposed project will be conditional upon compliance with all applicable federal, tribal, state and local laws, regulations, floodplain standards, permit requirements and conditions. This action complies with the National Flood Insurance Program (NFIP) requirements.

Responsible Entity: City and County of San Francisco

Applicant: City and County of San Francisco

Project Title(s): San Fran East Marina Fuel Dock – REC

Location of Proposed Work and Floodplain Insurance Rate Map (FIRM) Panels:

Site Name	GPS Coordinates	FIRM Panel
San Francisco East Marina Fuel Dock	37.806222, 122.432444	0602980116A

All Panels effective 3/23/2021. Sites are located within regulatory floodways. Sites are located within or adjacent to wetlands.

Proposed Work and Purpose: The applicant utilized a contractor which mobilized marine equipment to extract two broken 10.5-inch diameter steel-encased piles at San Francisco East Marina Fuel Dock (37.806222, 122.432444), deployed turbidity curtain containment around full work area, and disposed the damaged piles to the final disposal site. They installed two new piles in-kind adjacent to the damaged pile locations on wooden float section using vibratory hammer, drove the new piles to 30 feet embedment, adjusted existing pile guide roller and shim to fit the pile sleeve, replaced the piles guide on wooden float section, and installed fiberglass cone shape pile cap on the new installed piles as approved by the Harbormaster.

Project Alternatives:

- (1) *Relocation of facilities outside of the floodplain* – The damaged piles is at a marina fuel dock which serves public and emergency boats. Relocating the dock will not be practicable.
- (2) *No action alternative* – The fuel dock will not operate safely with damaged piles. With the no action alternative, the facility will not be functionally operated as intended.

Comments: This will serve as the final public notice regarding the above-described action funded by the FEMA Public Assistant program. Interested persons may submit comments, questions, or request a map of this specific project by writing to the Federal Emergency Management Agency, Region 9, 1111 Broadway #1200, Oakland, CA 94607, or by emailing FEMA-EHP-DR4683CA@fema.dhs.gov. Comments should be sent in writing with the subject line "PA San Fran East Marina Fuel Dock – REC" at the above addresses within 15 days of the date of this notice.

THIS NOTICE MAY BE REMOVED FROM PUBLIC VIEW ON THE 15th DAY FROM ORIGINAL DATE OF POSTING

NOTICE WAS POSTED ON THE 8th DAY OF DECEMBER 2023
