## San Francisco Marina Small Craft Harbor

Dear Marina Berth Holders,

We hope this message finds you well. We wanted to inform you of upcoming changes regarding fees at the Marina Small Craft Harbor. The Recreation and Park Department will submit legislation to the Board of Supervisors this week to amend the park code, including adjustments to these fees.

A recent [analysis](#) conducted by the Budget and Legislative Analyst highlighted a need for adjustments, including a 31.4% increase in berthing rates to adequately cover current Marina operating costs. In response to this, the proposed ordinance suggests an increase of 15.5% effective July 1, 2024, with an additional 16.4% increase slated for July 1, 2025.

We understand that any increase in fees may impact you, and we assure you that these adjustments have been carefully considered in light of our operational needs and commitments to maintaining high-quality facilities and services.

For your reference, the Recreation and Park Department maintains a record of the fees currently in effect, and we encourage you to reach out should you have any questions or concerns regarding these changes.

Thank you for your understanding and continued support as we work to ensure the sustainability and vitality of the Marina Small Craft Harbor.

Thank you,

SF Recreation and Park Department
