*September 26, 2015 - Schlage Lock Parks Community Meeting comments summary – Park design ideas for "Visitacion Park/Square Park"*

*Clear winners:*

- Meandering path configuration
- Naturalistic plantings and surfaces
- Permeable surfaces
- Trellis/arbor with hanging plants
- Multiuse lawn, able to use for theater or other assembly; i.e. large open space in middle of park

*Strong support:*

- Move outdoor theater seating to not be facing setting sun and have back to the prevailing wind
- BBQ with picnic area with shade
- Challenging play equipment based on natural materials
- Art integrated into the park
- Covered area for tai chi
- Fitness station

*Other repeated ideas:*

- Seating in shade near play areas for parents
- Game tables near each other; include Chinese checkers
- Move/remove storage structure (not in sunny area)
- Walking path for seniors
- Plant wall; flowering vines on art wall

*From the individual programming exercises, program preferences listed by number of votes.*
