

Wonder what to do with your used motor oil and filters?

Boaters can safely dispose of used motor oil, filters and absorbents at the San Francisco Marina East Harbor,

Marina Blvd. @ Laguna,
located in the parking lot
directly above City Yachts

What about the rest? Please do not leave these wastes* at the used oil shed. Recreational boaters with berths in San Francisco can take advantage of these free and easy disposal options:

1. Call for On-Site Collection

Free collection of most hazardous boating waste at the Marina, (415) 330-1405

2. Neighborhood Retail Drop-off

Small amounts of household batteries, latex paint, fluorescent lights, motor oil and filters, and sharps/needles. To find neighborhood drop-off locations go to:

SFEvironment.org/recyclewhere
