Hi my name is Jamila Perlas and I am the data and behavior consultant for TLC. I assist in providing services in developing positive behavioral programs for students, teachers and staff throughout all our afterschool sites. In addition, I host parent workshops, staff training, and collaborate with site directors as well as collecting data to ensure the highest quality of education, behavior and leadership development for our students at TLC. Attached below is the Positive Behavioral Program Guidelines for 2019-2020 school year.

TLC's Positive Behavioral Program

TLC's Behavioral Program consists of the following:

- 1. Behavioral Log (given to the site Director in the beginning of the school year)**
 - a. Directors will fill out behavioral log for each student every quarter and will submit to the Behavior Consultant for review.**

- 2. Classroom Observation**
 - a. Behavioral Consultant will conduct on-site general classroom observations throughout the entire school year.**

- 3. 1:1 Meeting**
 - a. Behavioral Consultant will meet individually with each director to review the Behavioral Log**
 - b. Behavioral Consultant and the Director will discuss results in general and focus on students who may need further behavioral support.**

- 4. Behavioral Consultant will conduct an on-site individualized assessment observation on students who have behavioral plans across the week. *SEE ASSESSMENT sheet***

- 5. Based on the observations, Behavioral Consultant will develop an individualized positive behavioral plan/ contract for students whom may need one.**

- 6. Once the behavioral plan is complete Behavioral Consultant will review it with the Director. Then schedule a one to one with the parents.**
