## TLC Acknowledgement

I would like to give a huge Shout out to all the TLC Site Directors, Kanisha Burdeen (TLC Hamilton), Maggie Scott (TLC BAO), Elora Belt (TLC Palega), Jamila Perlas (TLC GGPTC) and Sharnae Springfield(TLC YBC) for their hard work and dedication in making sure their sites were ready to go for the first week of school. Even with the rise in COVID, these ladies didn't let that take away from how they welcomed back all new families and returning families. All ladies kept their pose and reassured families that we are taking all necessary precautions to make sure their students stay safe. I applaud them with three weeks down and no positive case yet. With months to come I am positive these ladies will continue to go above and beyond to assure a safe and positive environment for all students.

"Job well done ladies"

Sincerely,  
Program coordinator Channing Hale
