

Camp Mather Family Camp – Campership Program

We will be awarding **2 Camperships per week**. The first 2 low-income families (no friends or relatives/only immediate family - i.e. partner, child) to receive a reservation each week who are able to prove household income under 200% of Federal Poverty level will receive a Campership and pay a reduced rate for the rental and meals of 50% of the total. Campership recipients must be San Francisco Residents.

Low-income families will indicate their request for the Campership by checking the request box during lottery registration. We will contact eligible Campership recipients for documentation. If the low-income family cannot show proof of income and receives a reservation, they will be required to pay the full rate and no refund of the registration fee will be given.

If a low-income family receives reservation but is not awarded a Campership, they may either keep the reservation at the full rate or receive a refund of the registration fee.

Please call Camp Mather Reservations at 415-831-2715 if you have any questions.
