

THURSDAY, JULY 20 @ 3:00 PM
ROOM #421 SF CITY HALL

COYOTES IN SAN FRANCISCO

Learn about coyotes from the experts!

Prepare for calls about coyotes from your constituents. Keli Hendricks - of Project Coyote - will present important information about living near coyotes and provide common sense answers to questions about coyote behavior. Learn hazing methods to pass along to those concerned about coyotes in their neighborhood, and tips to share about keeping coyotes from visiting residents' property. Coexisting with coyotes is possible and can be done safely.
