

### Animal Proof Trash Receptacle Order Form

Please use the below order form to indicate how many animal proof receptacles are needed at your parks or facilities. This is only for areas identified as being impacted by wildlife (coyotes, raccoons or other wildlife), not for general trash areas. Please focus on CPA's, picnic areas and other areas that are adversely affected by trash where wildlife have been sighted.

PSA	Park/Facility Name	Specific Location Within Park/Facility	Number of trash receptacles requested	Justification (coyote, raccoon, etc.)	Mounted to existing concrete pad	Mounted to NEW concrete pad	Pole mounted	
4	Lake Merced	Boat House Turf Area	4	Raccoon/coyote	4
