

CLOSURE ADVISORY

Due to the removal and replacement of Mission Playground's southern bordering fence, the soccer field and tennis courts will be temporarily closed starting November 30, 2015. The overgrowth of ivy has compromised the structural stability and safety of the fence. The new fence will be 20 feet high with an attached wind screen and we anticipate the project to be finished around the beginning of January 2016.

We apologize for the inconvenience and would like to suggest the below alternatives for both soccer and tennis courts nearby.
