

# CLOSURE ADVISORY

Dear Mission Playground Neighbor,

Starting on Monday, November 30, 2015 SF Rec & Park will be removing the existing fence that runs along the southern border of Mission Playground (along the soccer field and tennis courts). The overgrowth of ivy has compromised the structural stability and safety of the existing fence. A new 20 foot high fence equipped with wind screens will be installed.

The soccer field and tennis courts will be temporarily closed during the fencing project and we anticipate the work to be finished around the beginning of January 2016.

We apologize for any inconvenience and would like to thank you for being an understanding neighbor throughout this process. Should you have any questions about the project, please contact Park Supervisor Area Manager, Adrian Field at (415) 554-9521 or email [Adrian.field@sfgov.org](mailto:Adrian.field@sfgov.org).

Thank you,  
SF Rec & Park
