

CREEKS TO PEAKS CONNECTOR TRAIL PROJECT

What's in the Project?

Create a safe and accessible trail connection between Glen Canyon Park and Twin Peaks (part of the Creeks to Peaks Trail).

How is the project funded?

San Francisco Parks Alliance and the Open Space Fund.

How was the design developed?

The Trust for Public Land led a participatory design process to get input from the community about what they wanted to see in Glen Canyon Park in the winter/spring of 2011. There were a series of 12 meetings, three of which specifically addressed the trails.

What's the construction schedule?

Trail renovation: Winter 2016
The estimated construction duration is 60 days (Jan-Mar 2016). *Weather permitting

Will the trail be closed during renovation?

Yes, for safety purposes the segment of trail will be closed. The rest of the trails in the canyon will remain open.
